

Catedral de burgos

A magnificent and changing perspective of this harmonious summit of European Gothic art can be seen from anywhere in the old town. Declared a World Heritage Site by Unesco in 1984, in its striking distinctive silhouette the elegant and openwork Tardogotic needles that crown the main facade. Among the treasures inside, the Condestables chapel, the Golden Staircase and the dome of the dome..

Acueducto de Segovia

- It is the most universal symbol of the Castilian city. A great work of Roman engineering dating from the first century built with huge blocks of granite joined without mortar or mortar in an ingenious and wise balance of forces. In 1985 Unesco declared it a World Heritage Site next to the old city of Segovia.

Alhambra de Granada

- This imperishable myth, this dream palace, the most proclaimed and exalted of all time, is also an enigmatic chest of romantic and secret legends. It occupies the 16th place in the world and sixth in Europe.

Mezquita de Cordoba

- Elected the first in Europe and the fourth in the world, the Mosque of Cordoba is one of the great architectural wonders of Islamic art, declared a World Heritage Site by Unesco.
