

## **Peace is represented by an olive tree**

Peace is represented by an olive tree  
And through a crane made of origami  
Leave bad memories fly with the dove  
Leave bad memories go through the love  
Revive the flame of Olympic Games  
Harmony must remain our eternal aims  
These many wars that we have miss(ed)  
all this wouldn't happen if we had made peace.

*Arthur and Noah*
