- Hi!

My name is Zosia and I am 14 years old. I go to school in Boguchwała named Stanisław Maczek. I am characterized by long brown hair, green eyes and I am tall. I'm very energetic and fun person. Professionally engaged in ballroom dancing, I travel all over Poland to the championships. My favourite subject is biology. My dream is to fly to Dubai and visit Greece. I also like frequent challenges and implement them often.

My dream travel is...

Dubai because I love big cities and want to see skyscrapers.

Greece because I would like to see these beautiful large beaches and get to know the culture.
