**Do you inhale
more air to
one of your lungs
or equally to both?**

**Is breathing through skin
possible for humans?**

Which is better:
breathing through nose
or breathing through
mouth?

**Can breathing
change and
reflect your mood?**

**Can you detect
bitter taste
through breathing
to your lungs?**

how was it
for you?

how was it
for you?

f o f b o c

how was it
for you?
