- **How long have you used social media?**

Since I was twelve years old, more or less.

- **How much time do you spend using it every day?**

A minimum of two or three hours a day.

Because I use them to communicate with my friends, so we can help each other to study or to understand something from school...besides, I also like to read a lot, and I usually read on a social network called Wattpad.

- **Do you know every one of your social media friends ?**

Yes.

- **Do you use every social media you have subscribed to ?**

Yes, I know each and every user I follow.

- **Would you let your child use social media at 10 years old ? If not, how old ?**

No, I would not let him, because I consider that a 10 year old child is not mature enough to know how to handle social networks, and all the dangers they entail. Besides, I don't think it's necessary.

- **How many social media did you subscribe to ?**

Five, more or less.

- **Can you live without social media ?**

Yes, obviously I can live without social networks. They just make my life easier, but I can live perfectly well without them.

- **Have you ever stalked someone on social media ?**

No, I didn't.

- **Have you ever argued with someone on... ?**

No, I have never argued with someone on social medias.

- **Have you ever bullied someone ? Have you ever been bullied by someone ?**

No, and I never would. Just as I would never let them do it to me.

- **What's your favourite ?**

Wattpad.

- **Which social media do you use most ?**

WhatsApp

- **How long have you used social media?**

Since I was 10-11 years old

- **How much time do you spend using it every day?**

I can spend hours and hours normally, but lately I've been trying to use them less

- **Do you know every one of your social media friends ?**

Yes, I only accept the requests of people I know

- **Do you use every social media you have subscribed to ?**

No, there are some platforms that I don't use

- **Would you let your child use social media at 10 years old ? If not, how old ?**

No, I think that to use them you have to be mentally mature, and you have to know how to use them. I think 14 or 15 years should be enough

- **How many social media did you subscribe to ?**

6 social media platforms

- **Can you live without social media ?**

Yes, but its very difficult. Sometimes I wish I could go to live to the mountain to cut wood with an axe chilling.

- **Have you ever stalked someone on social media ?**

And who hasn't?

- **Have you ever argued with someone on... ?**

Yes, specially in Twitter. I put my opinion about a political theme and everytime you do that, there is always people who gets angry

- **Have you ever bullied someone ? Have you ever been bullied by someone ?**

No, and I would never let someone do it

- **What's your favourite ?**

Instagram is my favourite one

- **Which social media do you use most ?**

Instagram too, that's why is my favourite one

SPAIN

- **How long have you used social media?**

More or less since I was 11 years old

- **How much time do you spend using it every day?**

I spend a minimum of 2-3hours each day.

- **Do you know every one of your social media friends ?**

Yes

- **Do you use every social media you have subscribed to ?**

No, there are some of them that I stopped using

- **Would you let your child use social media at 10 years old ? If not, how old ?**

No, I think that 10 years old is a very young age to start using social media. I would wait until it was 13 years old more or less.

- **How many social media did you subscribe to ?**

5 social media.

- **Can you live without social media ?**

Yes but it would be very difficult for me because nowadays social media is a very important tool in our lives.

- **Have you ever stalked someone on social media ?**

Yes

- **Have you ever argued with someone on... ?**

I have only argued on instagram but with my friends.

- **Have you ever bullied someone ? Have you ever been bullied by someone ?**

No and no.
