This was the day when everything changed. My name is Tránsito and in this photo you can see the invasion by the Nationalist side of my village in Alicante.

I'm an orphan girl whose parents have been shot for defending their beliefs. And I wasn't going to give in. The soldiers entered house by house expelling the republicans from their houses and when they entered mine, I didn't hesitate to defend myself I ended up being shot with some other rebels.

I tell this because Tránsito couldn't.
