Fortune Teller: A be (in Turkish) Guys! You are drinking coffee and do swirl your cups, please. Let me tell your fortune...

(Kira and Lucas are confused but smile to each other.)

Kira: How to swirl them?

Fortune Teller: After the last sip, make your wish. Place the saucer over the top of the cup to cover it in front of your chest level and turn the coffee cup set upside down with a quick movement.

(They make it)

Lukas: Let's see what the future brings!

(She takes one of the cups in her hands.)

Fortune Teller: You have come a long way.

Kira: How did you know? (to Lukas)

Fortune Teller: From a place whose name starts with „R”. I think you are escaping from something... in a word someone chases you... (looking at them with an excited and terrified face)

Lukas: Oh my God, how did you know it? Could you help us?

Fortune Teller: Maybe...buttttt put here an itchy palm (extending her hand and winking)

Kira: (gives her money) What can you do for our trouble?

Fortune Teller: (She takes the evil eye beads out from her bag) These blue beads prevent you from evils and direness ..(gives them)... Now you are in safe...

(At that time Casper – the ghost becomes visible to them)

Casper: Ohh ha ha, very funny! Do you think that I'll be afraid of these kinds of talismans??(getting around them and then leaves)

Lukas: Damn it!

Fortune Teller: It's too strong but I know someone who will help you. Just King Midas who lives in Gordion city, close to Ankara can help you. He's known with his golden touch....

SCENE 2

CHARACTERS: Lukas, Kira, King Midas, Casper

(Kira and Lukas are searching for King's palace from the phone navigation and arrives his garden) (When they see him, they are astonished and smile each other because of his donkey ears)

Lukas: Dear my king! (They present things they've brought to him)(then back away from him)

King Midas: Why are you here?

Lukas: We have a problem and we've thought that you can help us. We hear about your great unique talent.

King Midas: Let's have it!

Kira: My dear king, there is a ghost bothering us. Maybe with your miracle touch, it can turn into a golden sculpture.

King Midas: It's as easy as anything. Where is it now?

(Just then Casper comes in view)

Casper: Here I am, come and catch me!

King Midas: (with an annoyed face) If I catch you..... *(chases the ghost Casper)*

(King Midas follows Casper accompanied with the music „kiss,kiss” but he can't catch.

Casper laughs loudly and leaves there)

(They go on talking)

King Midas: I've tried to help you but I couldn't succeed. Sorry. You should try another thing.

Lukas and Kira: Thank you very much for your great effort, my king...

(They begin to walk unconsciously. They are too tired. They give a break by the lake shore and sit down. They are hungry and begin to eat their bagels in their bag.)

Lukas: Yeah, I wonder, too. Let's talk to him. *(coming up to him)*

Kira: Come on!

Nasreddin Hodja: I'm leavening the lake, my boy...thinking that passerby wants to eat yoghurt....actually what are you doing here? I haven't seen you before....

Lukas: We consider what we'll do and where to go. We are trying to get rid of a ghost following us, but we can't...(disappointedly)

Nasreddin Hodja: Here it's an opportunity...eat our traditional food, yoghurt....it gives you the power to struggle with it. Try it with garlic... *(laughing)*

Casper: *(laughing and screaming)* I'M CRAZY ABOUT YOGHURT, FRIENDS...IT'S VERY DELICIOUS ABOVE ALL WITH GARLIC!!

(Casper eats up all yoghurt in the pan and leaves there)
