Roberto Benigni

Why is he considered a role model?

Roberto Benigni is a famous Italian actor, he won an Oscar as best actor with the film "La vita è bella" in 1999.

He can be considered a role model because he is a cultured man who can talk about very sad feelings and events in the history of humanity with a subtle sense of humor and a great spontaneity.

He is famous for his monologues that teach us that any problem can be solved if you have a positive attitude to life.
