To whom it may concern,

Due to the recent Covid -19 outbreak, the school is cancelling all planned trips and excursion abroad until further notice. Our main concern is the wellbeing and health of our students and teachers, which, in light of the recent events, means postponing all the unnecessary travels abroad.

Please receive our decision with understating since we are, after all, thus hoping to limit the spread of the disease across Europe.

Sincerely,

Ema Kozar

headmistress
