No

I like to work in groups especially with correspondents and I have no negative remarks to make

I enjoy meeting new people in this project

It was a waste of time

I enjoyed recording the video

I meet new people. We lost a lot of class.

I lost class and I enjoy the proyect.

positive: is more exciting than stay all the day in class

negative: we can't do all the activities and proyect

Positive- That English classes became shorter. Negative-

That we were not given time to do all the activities.

We learn without using the book.
There are activities a bit complex.

The positive thing is the communication with the others countries of the UE and the negative thing is that I think that we hadn't been a lot of works in team.

the positive thing is the communication with the others countries of the UE

we learn english in another fun way
we haven't done all activities

Positive: you work with you friends and in the computer.
Negative: nothing.

positive: I work my friend
negative : I don't
