

CULTURAL SPEED-DATING

Project meeting held in Doetinchem 19-24. 9.2016

Rules:

1. Make two equal groups with mixed nationalities
2. Make a circle of tables with chairs at both sides
3. Find yourself a place - but remember that you are not allowed to sit in front of somebody from your school
4. Make sure that there are the same amount of pupils from every school in the inner and outer circle
5. When you hear the sound, start asking questions from the list- take turns. You can choose any question you like. Write down the answers
6. As soon as you hear the bell (every two minutes approximately) , the ones on the outside, move one chair to the right
7. As soon as the signal is given, start asking questions again.
8. At the end of the speed dating, you must have all the answers (or at least as many as possible)

speeddaten..?

You are going on a cultural speeddate during which you are trying to get as much information on various cultures and behaviours. As soon as the bell goes the ones on the outside scoot over to the table on the right of you. As soon as the signal is given again you start again.

Good luck!!!

Shake hands and introduce yourself to each other .

Now in turns ask a question from the list. You can choose any question) to start with.
