It was the end
of Winter.

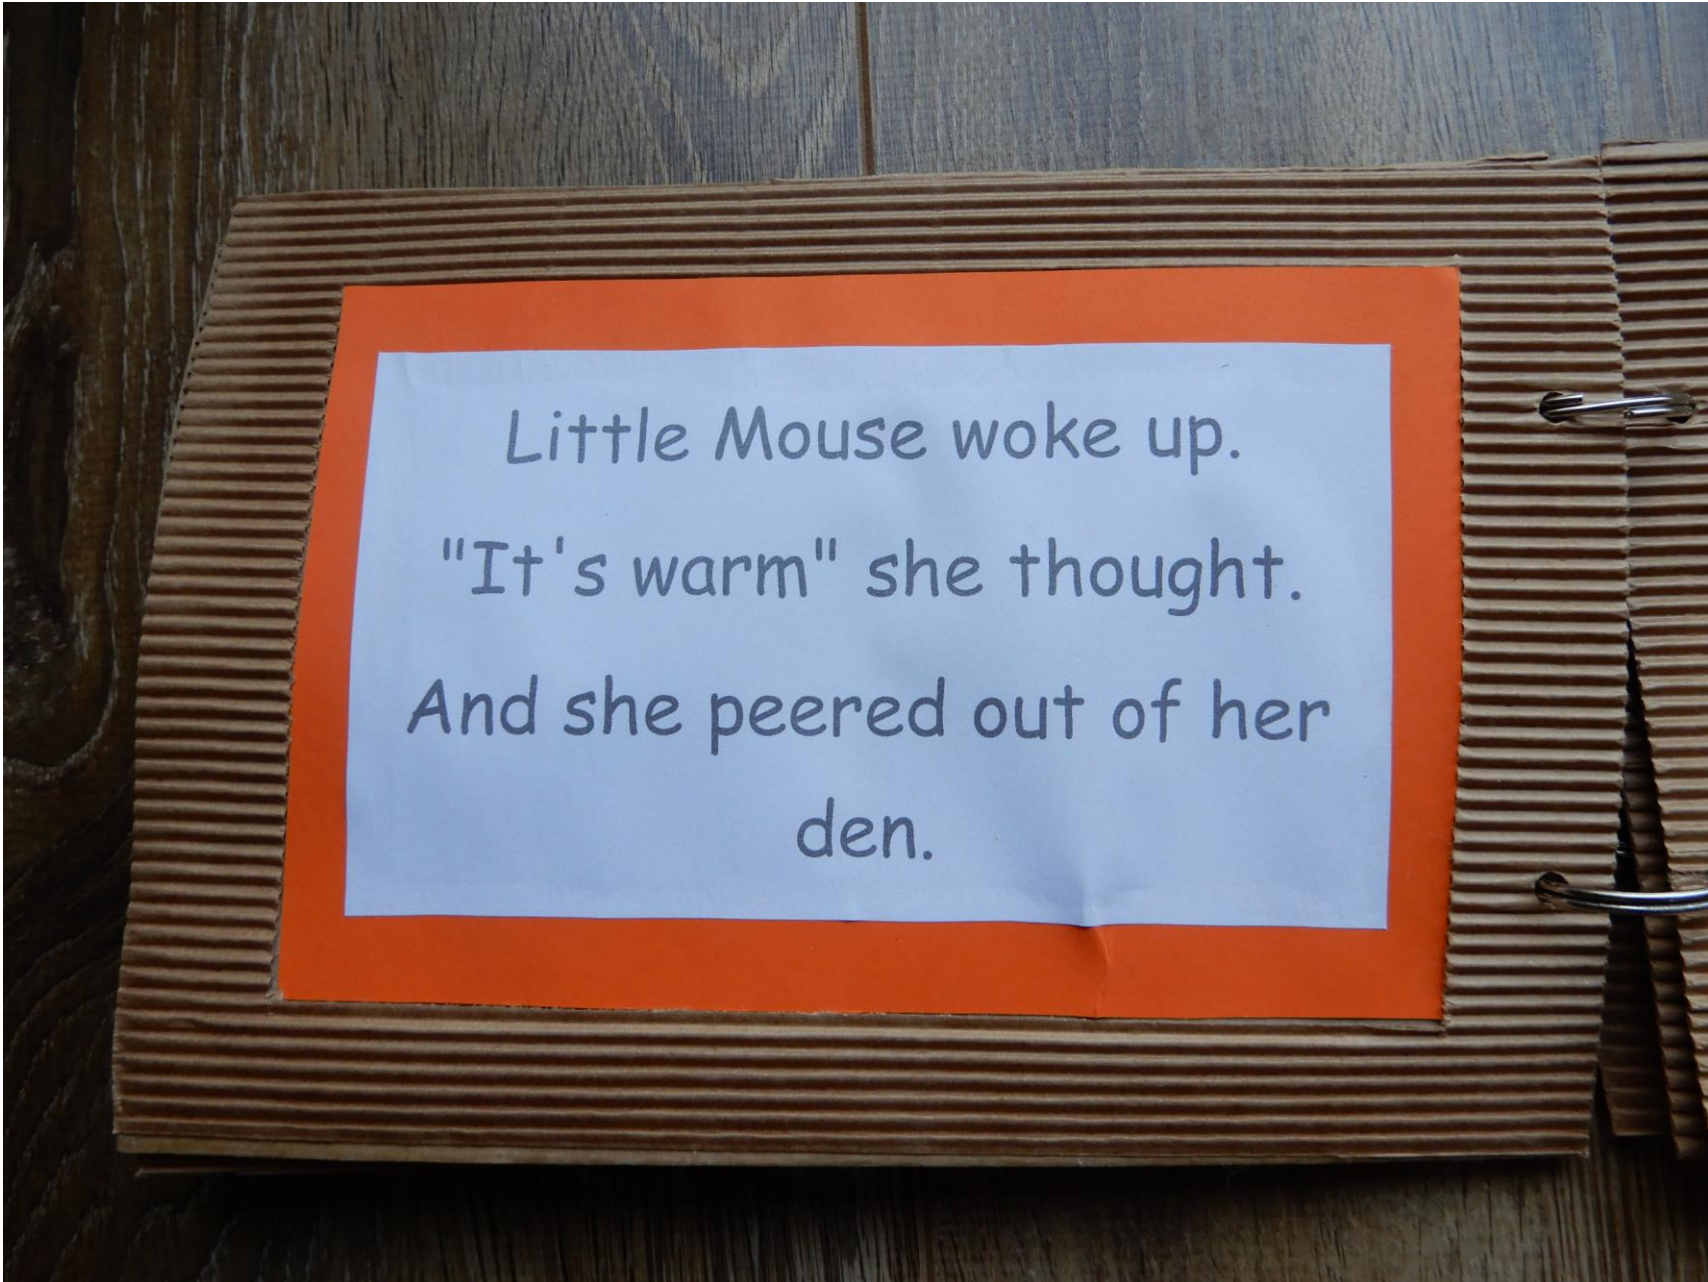

Little Mouse was still
sleeping.

A hand-drawn illustration of a landscape. At the top, a yellow sun with rays is partially obscured by a grey, mountain-like shape. Below the mountains, a blue river flows from the left towards the center. The foreground is a mix of green and brown, suggesting grass and earth. The entire scene is enclosed in a simple black rectangular border.

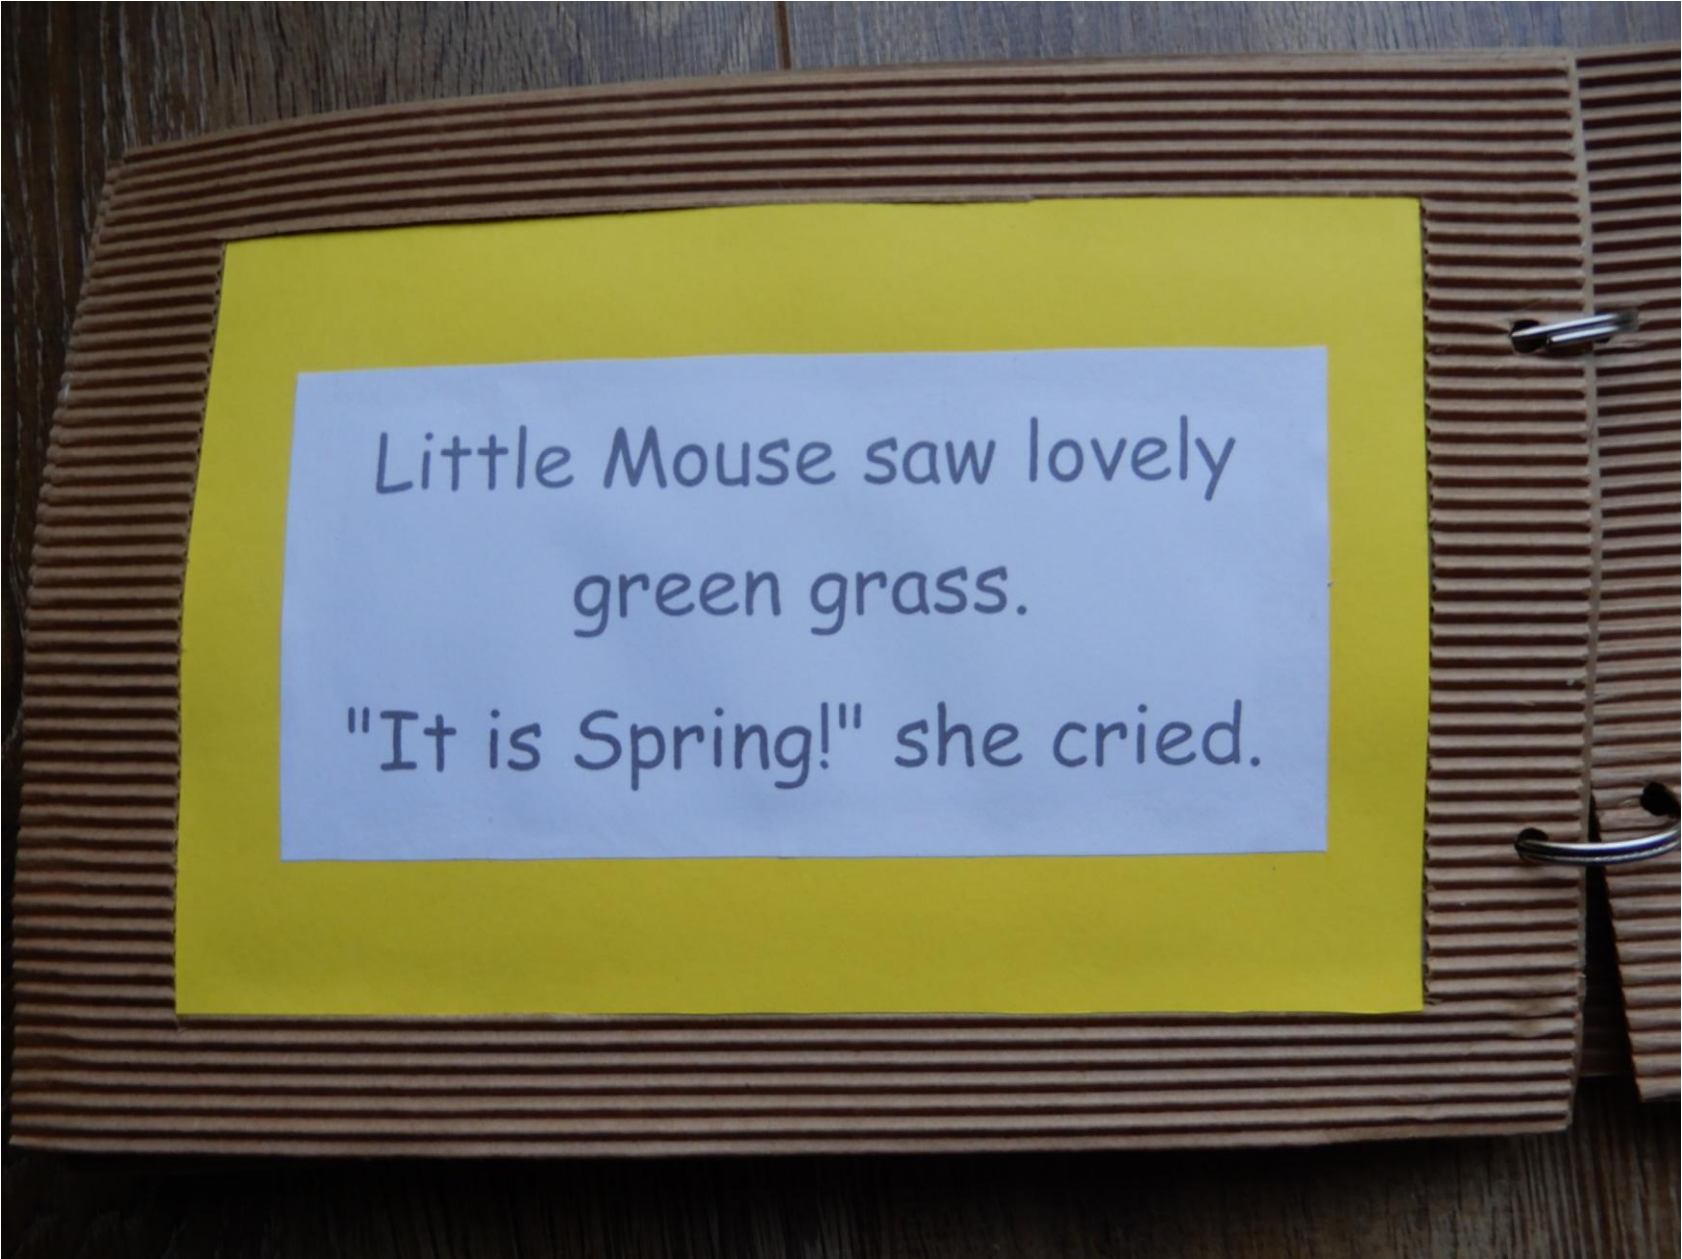

The Sun started to shine
more and the snow began
to melt.

Little Mouse woke up.
"It's warm" she thought.
And she peered out of her
den.

A spiral-bound notebook with a brown corrugated cover is shown. A yellow sticky note is attached to the cover, and a white card is placed on top of it. The card contains the text: "Little Mouse saw lovely green grass. 'It is Spring!' she cried." The notebook is resting on a dark wooden surface.

Little Mouse saw lovely
green grass.
"It is Spring!" she cried.

Little Mouse loves Spring:)

And You?

Do You like Spring, too?
