Fourth Virtual Transnational Learning Activity in Kuusalu – Estonia
27th of October until the 27th of November 2020
Kuusalu Secondary School
“Democracy, Environment, Science and Technology”

In the context of the COVID-19 Pandemic, the Fourth Transnational Mobility to Estonia in May 2020 was postponed and later on it was replaced by Virtual Activities, organised by the host school in Kuusalu, Estonia. The implementation of the Virtual Activities started in school with the participation of the 7 participant students. The specific Activities were integrated into the daily school schedule, which offered to more students the opportunity to participate in them during their school lessons. After the first week of November 2020 there was a second school lockdown due to COVID-19 Pandemic, so the Virtual Reality activities took place via online meetings of the participants.
