

School

Primary School in Fanianowo

Patron of Our School

Kardynał Stefan Wyszyński

Clerygman, social activist.
Stefan Wyszyński acted an important role in the
fight for freedom and Polish democracies.
He told that in bringing up children is important
respect for human, tolerance and understanding.

Kardynał Stefan Wyszyński

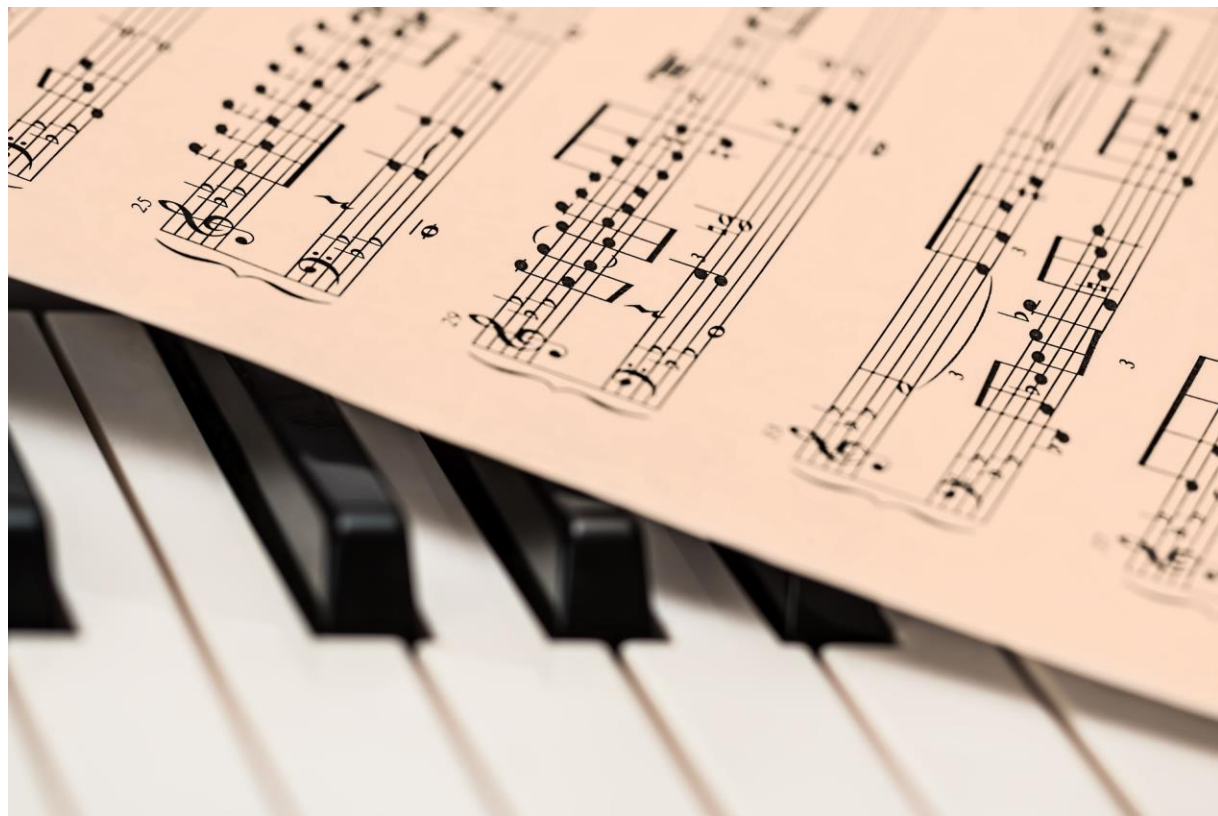

We have
a school
ceremonial...

Banner

School emblem

School anthem

In education,
we focus on:

- creativity,

In education,
we focus an:

- innovation,

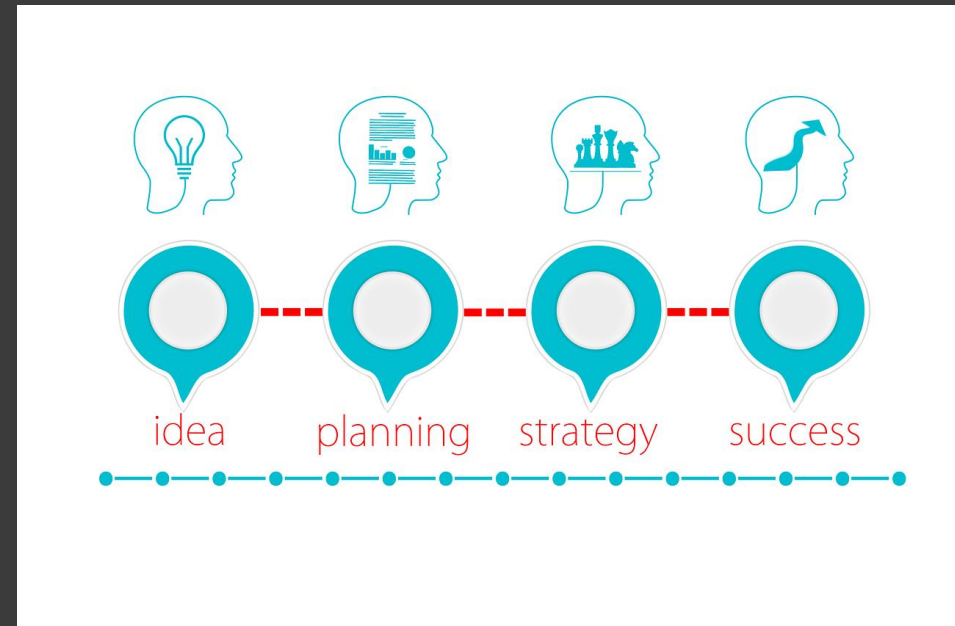

In education,
we focus on:

- the new technology
(robotics and programming),

In education,
we focus an:

- self-development.

**We prefer students
to live in a global society
at the same time remembering
about identity.**

At present, primary school education lasts eight years. The current 8th graders are the first year after the reform that will write the eighth grade exam. The result has a huge impact on school enrollment.

After learning in a primary school,
we start school in high school.

We have **three types** of schools to
choose from:

- **Degree school,**
- **General secondary school,**
- **Technikum**

Matura

Polish exam of material covered by the curriculum (core curriculum) of selected subjects at the high school level. ... The high grade of the matriculation examination is the only criterion when recruiting for many higher education programs.
