the brain

I have a box which has something inside.
If I lose that something, what do I want the box for? What is it?

the candle

It is born tall and it dies short. What is it?

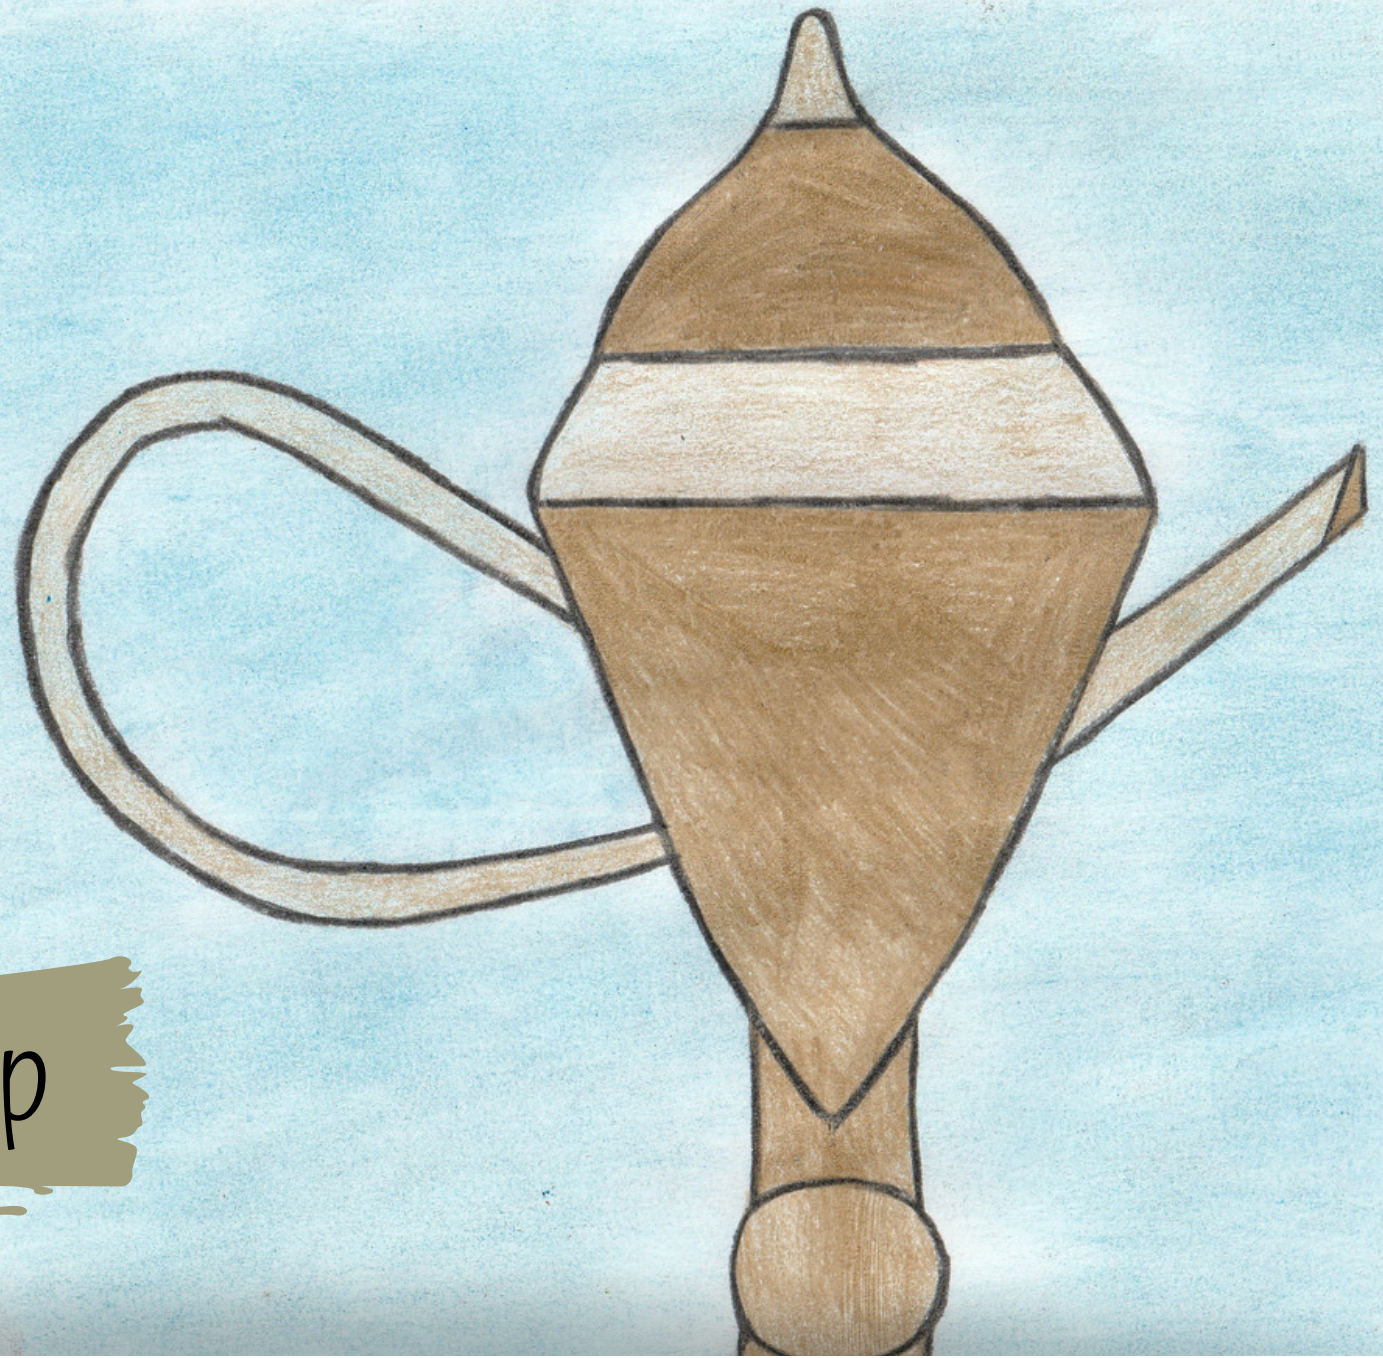

the envelope

It is a whole word, but it has only one letter. What is it?

the tongue

t hasn't got bones, but it breaks bones. What is it?

the oil lamp

Surrounded by water and in the middle there is a little fire. What is it?

the frog

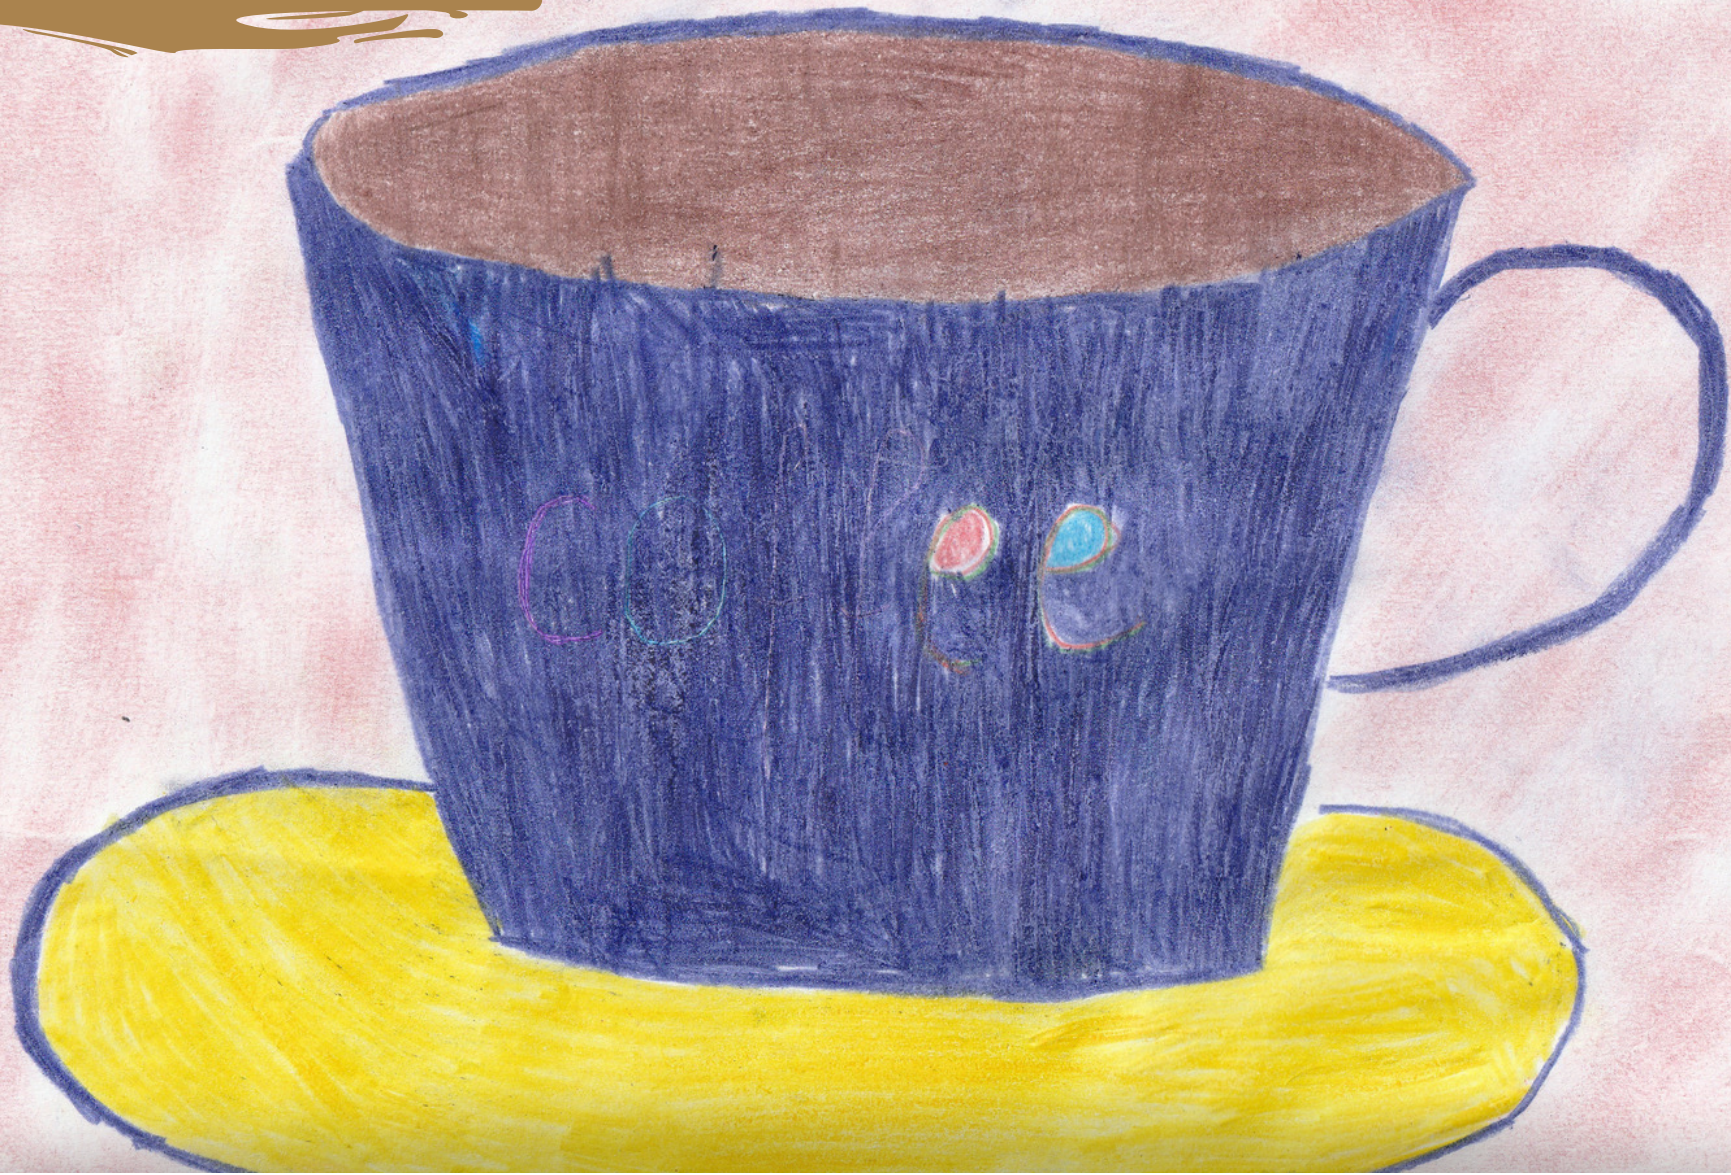

It looks red and purple. Sits and sells beans.
I asked how much a kilo would cost. It looks me brightly in the face.

a star

I have a bagful of walnuts I can never finish counting.

coffee

Two brothers grew up together. Their tops burned, their heads burned. They are the ones who were beaten.
They threw themselves into the sea. But it was only water.

an onion

Red but not an apple. In layers but not puff pastry.

an oil lamp

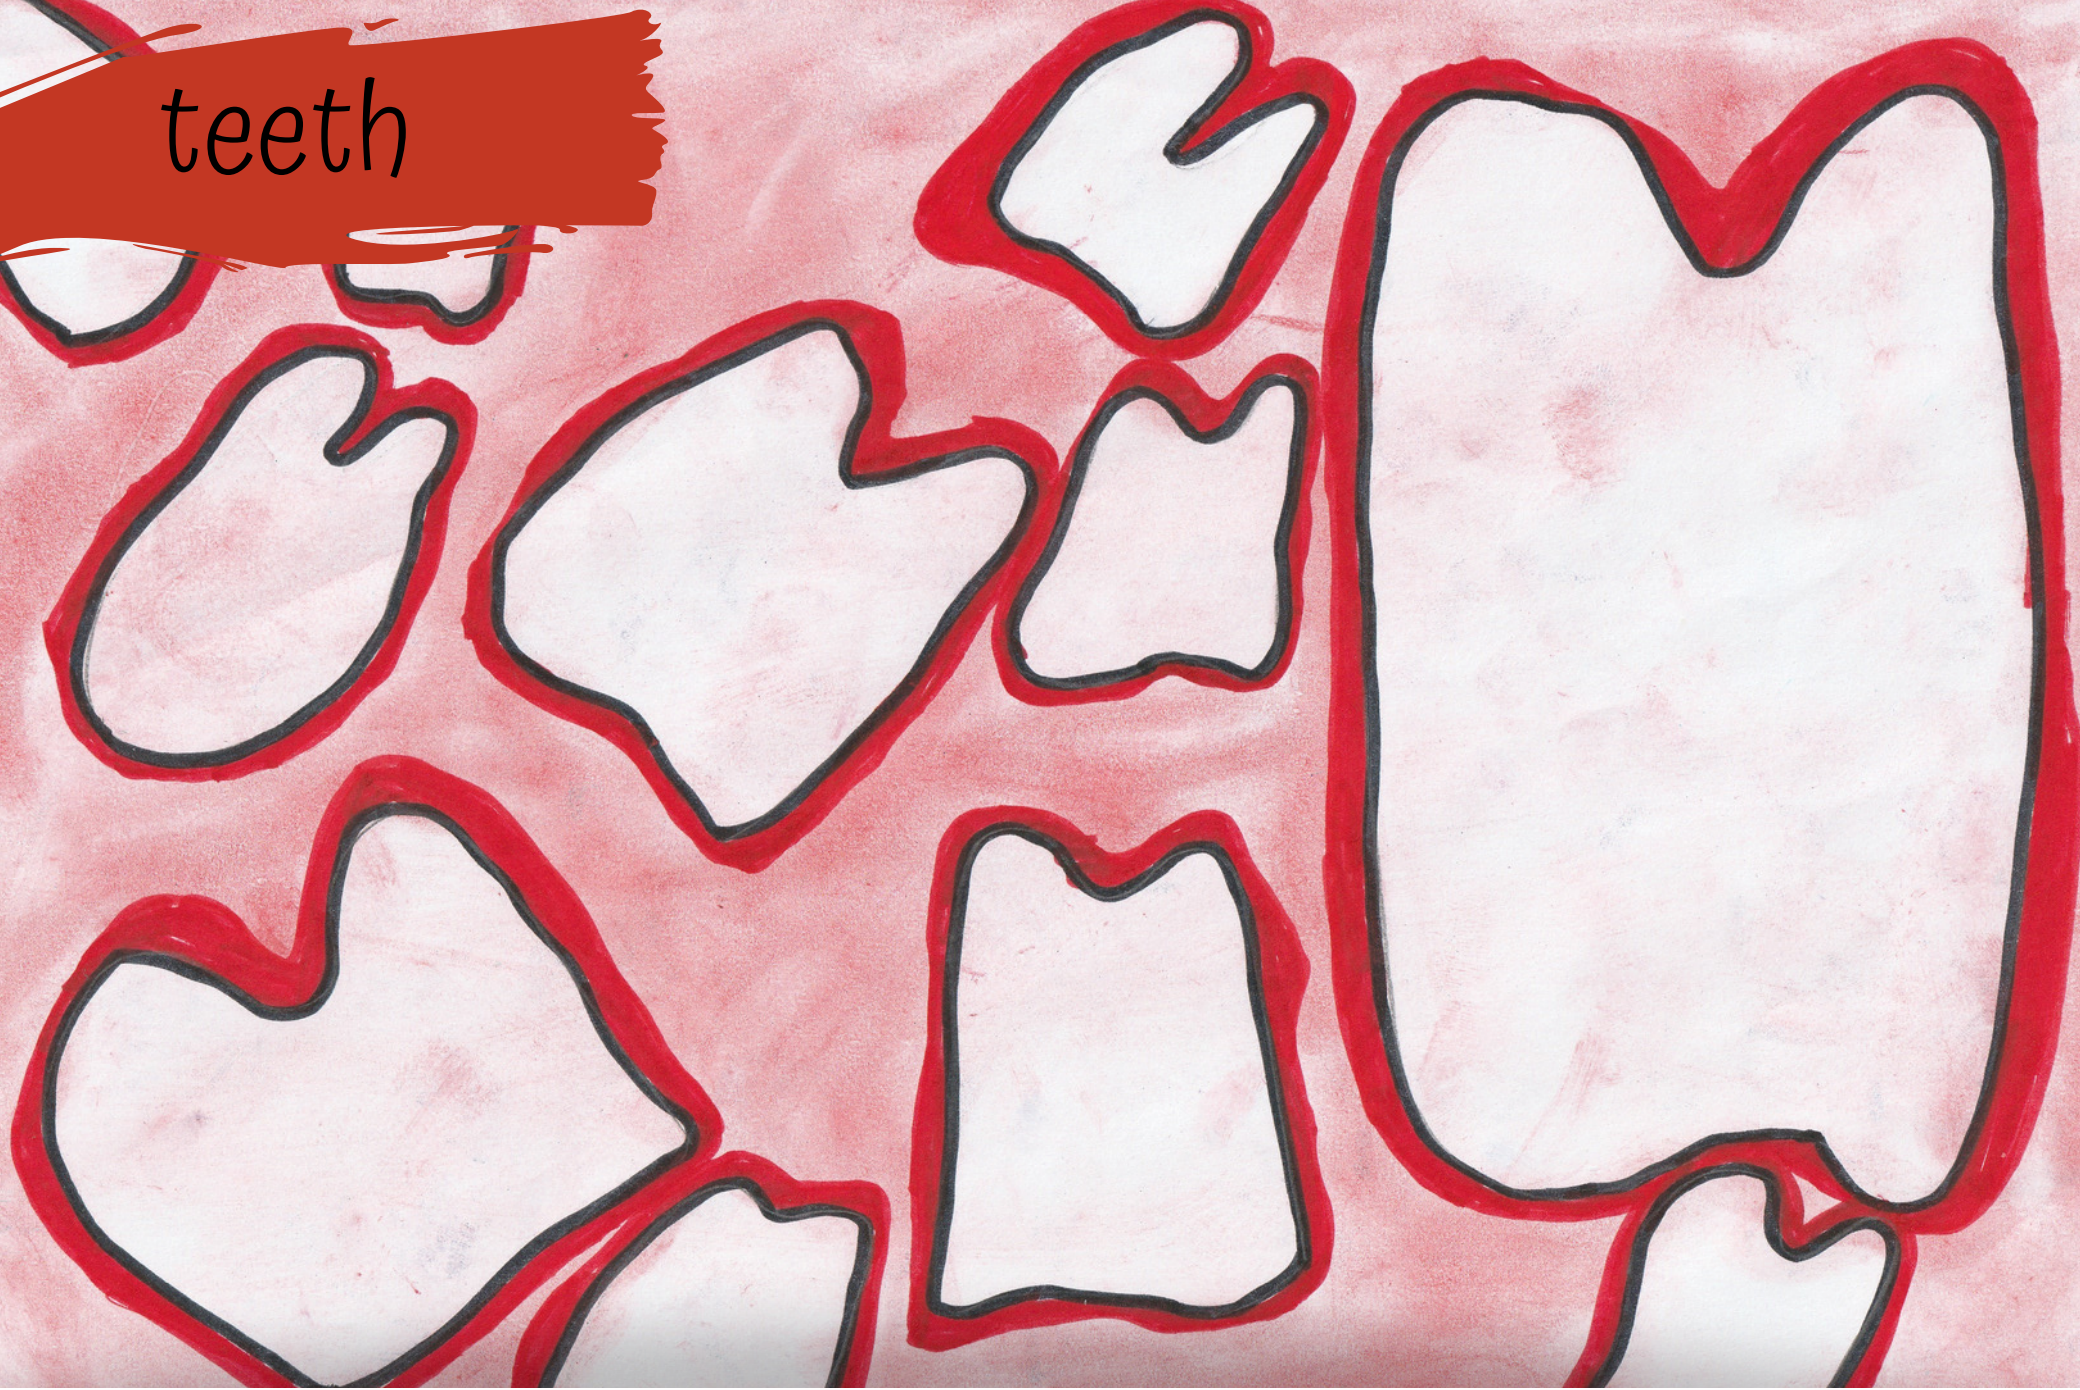

Its bottom a lake, its top a rose.

a chicken

With two columns and a thousand tiles.

teeth

It was us, us, us. Thirty-two maidens.
The breakers came and broke us up. Now we are back in order again..
