④ Quan intento parlar amb les meves amigues moltes vegades em diuen que no que parlar.

## How we play: the pandemic

1. Lo que m'afectat més són els patis separats, perquè no podia jugar amb l'altre grup i això amb feia pensar que tardaríam i tardarem molt, i que ens tindrè que acostumar.
2. Quan anàvem al parc ens podíem relacionar amb diferents persones però ara quan anem al parc ens l'exclou me, i potser talvegues més.
3. Abans podíem jugar amb jocs i llibres que avien tocat els altres sense tenir que esperar a que ho desinfectem.

# HOW WE PLAY: THE PANDEMY.

1. La primera cosa que crec que a canbiat a seguir que ara no hi ha molta gent i quan vols jugar a algo dons no pots perquè no hi ha molta gent coneguda i jugar amb desconeguts dons no es pot pel covid i no et dones molta seguretat.
2. També ara no es pot jugar bé a la pista perquè hi ha gent sense mascarata i es ven més poca gent jugant a pilota ja segueix com a futbol o basquet hi ha gent que vol jugar no pot perquè la gent no te mascarata.
3. També penso que ara no es pot anar de lloc en lloc alocant les cases i és com si vas al tobogan i tens que tindre molt de cuidado en no tocaro massa.
