# SCIENCE:

## How to play: pandemic

1. Ha canviat les classes per que ja no podem tocar-nos.

2. Ha canviat els objectes per que alguns podem tocar els objectes, ara també hem de desinfectar-los després que nos en toquem.

3. Ha canviat els materials per que ara no podem tocar-los gens.

1. We can't share material. We have to disinfect it.

2. We have to say "hello and bye" without touching us.

3. We have to play in different spaces.

4. It's difficult to meet new people. Our friends are in a different class.

5. We have to respect the bubble group.

6. We have to play with mask.

7. With the mask is difficult to breathe.

8. We have less extra activities.

9. We have to play to other games.

10. Sometimes our parents don't let us to go to the park.

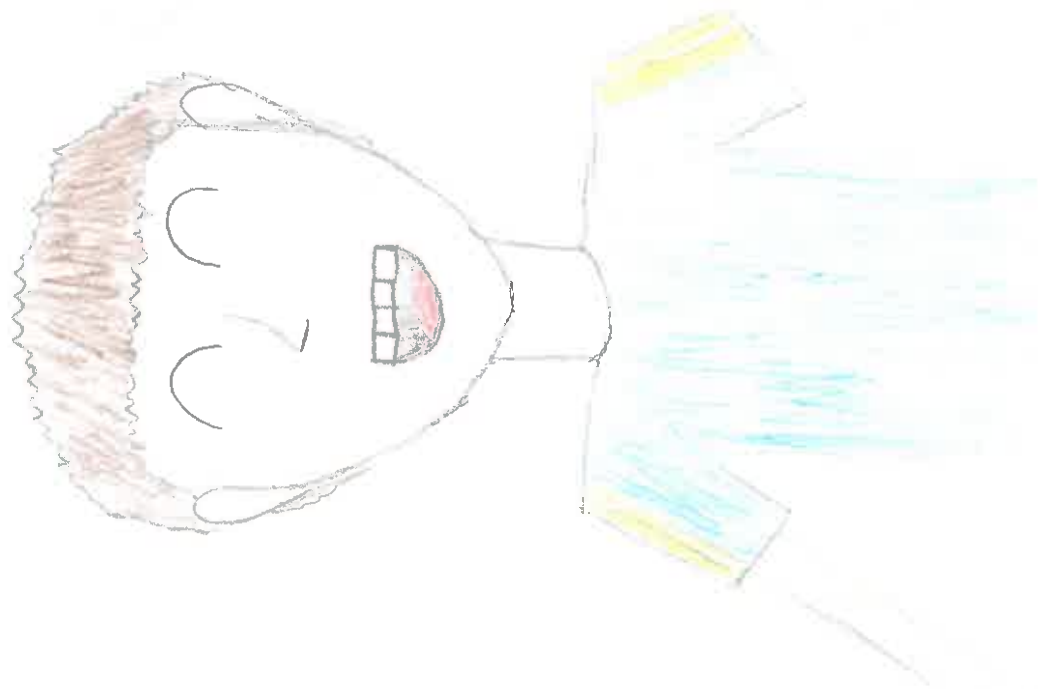

11. We can't go to other places (confinement).

12. Stay more time with my family (closest family).

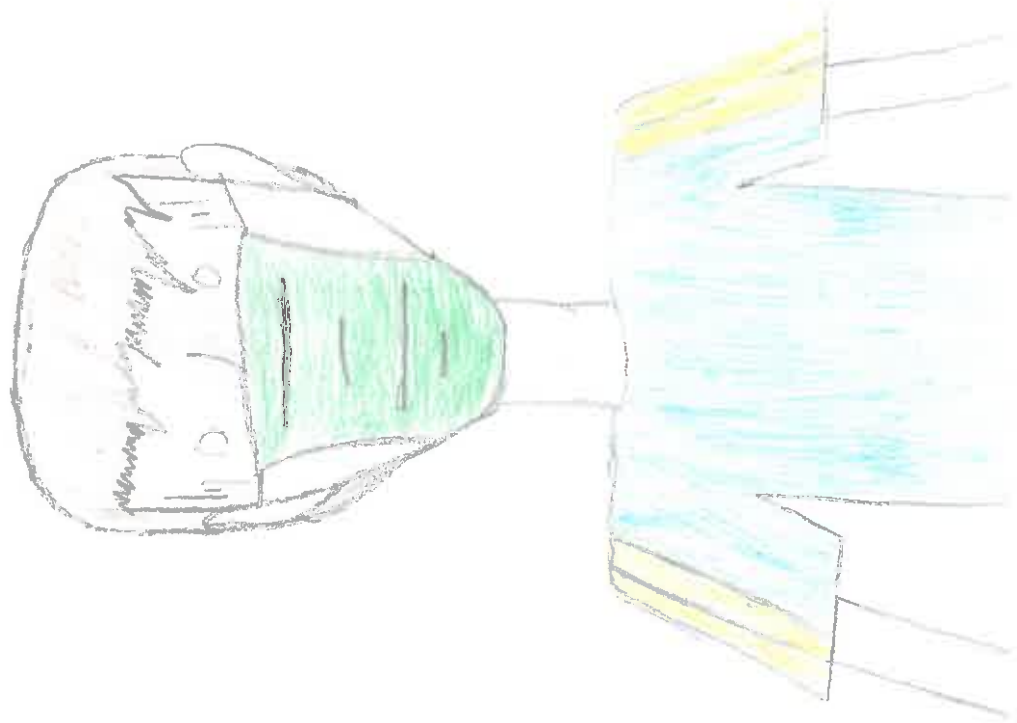

13. Less pollution.

## How we Play Pandemj

1- Quan anem al gimnàs ho podem utilitzar els materials.

2- Quan anem al pati ho podem ocupar tot el pati.

3- Quan anem al parc a l'hora de menjar no podem ocupar tot l'espai del parc.

---

1. We can't share material. We have to disinfect it.

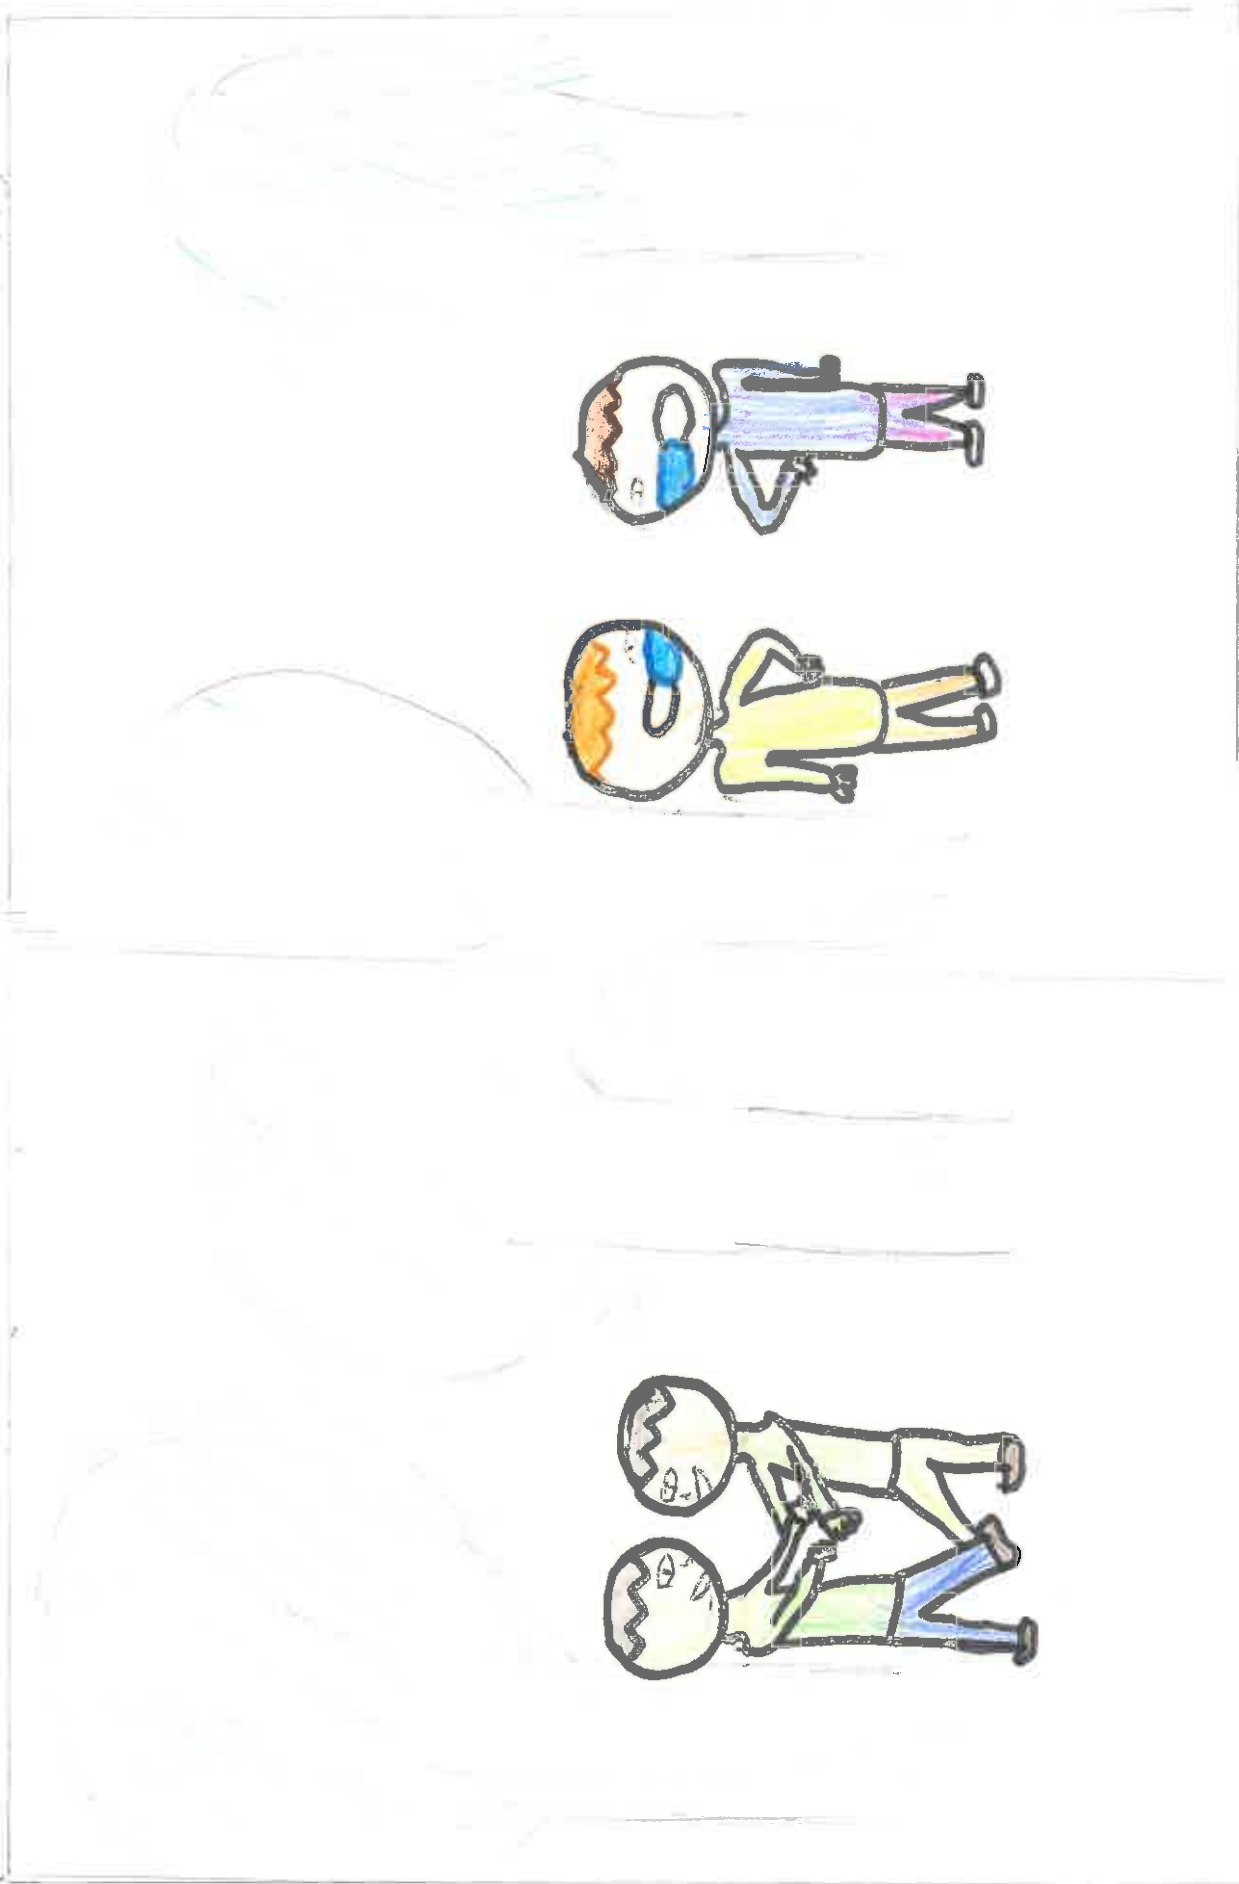

2. We have to say "hello and bye" without touching us.

3. We have to play in different spaces.

4. It's difficult to meet new people. Our friends are in a different class.
5. We have to respect the bubble groups.
6. We have to play with mask,
7. With the mask is difficult to see things.
8. We have less exercises for (or) less.
9. We have to play to other games.
10. Sometimes our teachers don't let us go to the Park.
11. We can't go to other places (can't travel) those of friends.
12. Stay more time with my family (closest family)
13. Less Pollution.

## SCIENCE:

How are play & pandemic

La pandemia

- 1 La pandemia ens ha deixat el pat: no podem jugar amb tots els nens amics i amigues.
  - 2 No podem jugar en fet i amagar perquè el pat: el hem dividit en quatre parts.
  - 3 Quan anem al gimnàs no podem fer les col·leccions.
- 

- 1 We can't share material. We have to disinfect it.
- 2 We have to say "hello and bye" without touching.
- 3 We have to play in different spaces.
- 4 It's difficult to meet new people. Our friends are in a different class.
- 5 We have to respect the bubble groups.
- 6 We have to play with masks.
7. With the mask is difficult to breathe.
8. We have less extra activities.

- 9 We have to play to other games
- 10 Sometimes our friends don't let us to go to the park
- 11 We can't go to other places (environment) with our friends
- 12 Stay more time with my family (don't family)
- 13 Low pollution

HOW WE PLAY:

PANDEMY

1 fa molt que no jugo a football

2 no podem entrar per tot el porti

3 no podem jugar a borquet ETC

---

1 WE can't do those material we have to perfect it

2 we have say HELLO on FB without being us

3 we have now in different areas

4 ~~it's~~ it's difficult to meet our friends in  
in different class

5 we have to support public groups

6 we have to play with mask

7 with less masks extra activities

8 we have less extra activities

9 we have to play to other games

10 some times our parents don't let us to go to THE

- 11 we can't go to the houses anymore
- 12 stay more time with me for my (class) FAMILY
- 13 less pollution

with the mask is difficult to breathe
