# MALTA AND TURKEY

# A PARTNERSHIP

- Economically-
- The two countries mainly cooperate in the maritime sector, because Malta has one of the major **ship repair facilities** in the Mediterranean and Turkey is emerging as an important shipbuilding and fleet owning country.
- Also the **tourism** sector between the two countries is increasing.

SHIP BUILDING & REPAIR  
IS SOMETHING BOTH OUR  
COUNTRIES ARE  
INTERESETED IN

# THE MALTESE ISLANDS

The current population of Malta and Gozo is about 520,000 inhabitants

Official languages are Maltese and English

Our capital city is Valletta and was constructed by the Knights of Saint John. It is named after their Grandmaster Jean Parisot de la Vallette.

Our economy is highly based on the tourist industry, the manufacturing industry and the provision of services both locally and abroad.

Due to lack of natural resources, we rely heavily on trade of goods coming principally from Europe.
