## DTalta <br> Goso Collegre <br> Secondany School

## OUR POPULATION IS

 VARIED
## Our School Popalation

## WE HAVE LOCAL

 STUDENTS.WE HAVE STUDENTS OF IMMIGRANTS WHO COME TO GOZO FOR WORK

We have students with SPECIAL NEEDS (AROUND 70)

WE HAVE LOW ABILITIES

WE HAVE STUDENTS FROM PROFESSIONAL FAMILIES DOCTORS, SURGEONS, ATTORNEYS

AND STUDENTS FROM
FAMILIES WITH FARMS AND WITH LOW INCOMES.

WE HAVE STUDENTS OF DIFFERENT RELIGIONS AND FROM DIFFERENT ETHNICITIES.

210
Boys
273 Girls

Ages
13-16

> Students move from:-

## Year 9 Year 10 Year 11

# Then they move on 

 to Post Secondary Imstitutions
## THESE CAN BE

 ACCADEMIC ORVOCATIONAL

Students come to our' school firm an . Idjacent . Middle School.
Both schools are fed firom 13 Government Primary Schools around Gozo and sometimes firm Church Schools.

# This is not the only Secondary School in Gozo. 

There are another two Secondary Schools managed by the Church. One for Boys and anotherfor Girls.

## 5.Assistant Heads

## II6 teachers

## out of which there are

 7 Heads of DepartmentsG Guidance Teachers
3 Teacher Librarians
31 Learning Support.Assistants

## We have some compulsory subjects

Physics

Personal and Social Career development

These option subjects are chosen according to what career a student wants to choose later on.

## . All subjects vary in

 difficulty.So each student has to think well before choosing a particular option.

There are 3 Routes one can choose while alecidling on an Option Subject.

Route I:- Academic and
Vocational Subjects
Route 2 :- - Applied Vbcational Subejcts

Route 3:- - A mix of.Icudemic amd .Applied Vocational Sulbjects.

- Biology
- Chemistry
- Accounts
- Business Studies
- Design \& Technology
- Graphical Communications
- Art
- Music
- Home Economics
- Geography
- History
- Social Studies
- $2^{\text {nd }}$ Foreign Language
- European Studies
- Computer Studies
- Physical Education (PE)
- Sports Career Development Programme (SCDP)
- Engineering Technology
- Information Technology

## Vbcational Subjects

- Health and Social Care
- Agribusiness
- Hospitality
- Media Literacy
- Hairdressing and Beauty
- Fashion and Textiles
- Retail
- Applied Engineering Technology

## Route 2 :-

. Applied Vocational Subjects

- Applied Information Technology
- Applied Health and Social Care
- Applied Agribusiness
- Applied Hospitality
- Applied Media Literacy
- Applied Hairdressing and Beauty
- Applied Fashion and Textiles
- Applied Retail
- Mix of Both with limitations.

## Route 3 :-

## .Mix of Both

So for example you can choose any of the Applied Vocational Subjects but only:-

- Physical Education
- Art
- Home Economics
- PTI Achieve Program

Out of the Academic Subjects

At the end of Secondary School then students sit for their JMatsec Excams which is equivallent to your GCSEs.

## However <br> Our School is not all about Academics

Cooking during the Life Skills Program

## Students at the Shooting Range on a Trekking .Activity.

## In our VETI <br> Information Technology Labs.

Getting a Fire Going during an outdoor activity.

## In our

Hairalressing \& Beanty Lab

## . Another uctivity at the Shooting Range

## Virtual Tour of Our School
