

Erasmus+ ACTIVE

Online meeting January 11th 2022

NOTES

Participants: Kristina from England, Thorgerdur +2 from Iceland, Riitta from Finland, Jo Ann from Malta, Zerrin from Turkey and Elisa from Denmark

1. Covid19 UPDATE

The covid19 situation in different countries is more or less the same as when we met in early December. The numbers are high but it seems that the Omikron-type doesn't make people as sick as the Delta-type did. The schools are open but due to many cases, some schools are short of staff.

2. Evaluation Iceland

Evaluations are missing from some staff and pupils. Zerrin will send an updated list. Please make sure that she will get the last evaluations **by 21st January at the latest.**

3. The ACTIVE Teaching Ideas:

Please use the form that I have sent to you, where you describe 2-3 teaching activities/school:

- Title of the activity, age group, materials needed, description and a photo or two (A4 page)

All partner schools to send 2-3 descriptions to Elisa **by mid/end February**. The ideas will be collated into a booklet of teaching ideas (both pdf+print). Malta = OK

4. Travel to Denmark: numbers of staff/pupils as of January 11th 2022

Country	Staff	Pupils
Malta	2-3	none
Finland	(2)	none
Iceland	2	(4)
Turkey	2	4
England	none	none

As the situation can change rapidly, we will decide the final numbers on our next online meeting on February 1st 2022.

4.1 Information regarding travel to Denmark

Nordre Skole is happy to welcome both pupils and staff to take part in the Learning/Training Activity in Denmark but unfortunately, we will not be able to offer host families for the pupils. We will try to find host families where the visiting pupils can spend some time in the afternoon/evening, possibly have the meal together in the evening.

You are required to wear a mouthpiece in shops, public transport, taxis and public buildings like train stations, airports, bus stations etc. You will also need to follow social distancing and keep up good hand hygiene. If required, be prepared to show a corona passport to proof that you are vaccinated if you are over 15 years old (in restaurants and public transport, also at schools).

Schools are considered as public buildings for visitors, eg. parents are asked to wear a mouthpiece if entering the building. The teachers and pupils don't wear a mouthpiece inside and I think it's up to you whether you want to do it or not.

Covid19 entry regulations please check

<https://en.coronasmitte.dk/travel-rules/covidtravelrules#>

Elisa will update the travel and accommodation document with links that work.

4.2 The program in Denmark

The program has been sent to all partners. Some details might change. Here are some TO DO- for you to prepare from home:

Sunday Feb 6th

We cook soup, bake bread and make dessert together. We decide on our next online meeting, who will send the recipes.

- Send a recipe for vegetable soup:
- Send a recipe for good bread:
- Send a recipe for dessert:

Monday Feb 7th

Preparation at home:

1. Welcome assembly: Send a short film/power point to Elisa in advance. These you can use to present yourselves and your country. **Deadline: February 4th 2022**

2. The visiting pupils are asked to make a short introduction pp/film/speech about their lives. These can be used in classes.

3. The visiting teachers: Be prepared to make a workshop of approximately 70-90 minutes. It could be something about your country/culture/language combined with some creative activities typical for your country. It could also be an ACTIVE activity where you go outside and train eg. team work/friendship/getting to know one another etc.

If you need any materials, please send a list to Elisa by 28th January. (We always have scissors, glue, paper, cardboard)

Wednesday 9th and Thursday 10th

There has been invited 4 guest teachers: Sia and Martin from Animation School and Lommefilm in Viborg/Aarhus and Magdi and Amanda from Piximakey in Copenhagen to teach us about animation and film. This program is both for the students in grades 5-8 and all visiting pupils and teachers.

Piximakey will use these days as a showcase for their Piximakey Education (an animation toolbox) and will provide us with materials and knowledge about animation/21st century skills, both in Danish and in English. Sia and Martin will invite 7th and 8th graders to work with Imovie and their dreams for the future. These films will also be a part of both their and our project.

All participants will get to sign an agreement of the use of film/photos as documentation for these days (GDPR).

To prepare at home for the evening:

Prepare a dance/song from home to share during our joint farewell dinner on Thursday evening.

4.3. The Expenses in Denmark

The cost of the guest teachers is approximately 2700 euros. We will try to cover that from our budget. I might need to ask some money from each school to cover the expenses for food. It will be **maximum 50 euros/person. This will be paid to our school's secretary.**

Besides travel and accommodation, you would have to calculate 50 euro/person for food at school per person. Then you have to calculate lunch/dinner marked with a PLUS (+).

Breakfast at a hotel might be self-catered, included in the price of the room or to be paid. Lunch we will provide to you at school in all days. Dinner costs approximately 20-30 euros/person in a restaurant. You can get a pizza for approx. 10 euros, kebab for the same. The drinks are expensive at a restaurant (even non-alcoholic) fx. you might order a pizza for 12 euros and a coca cola for 7 euros.

Day	Lunch	Dinner
Saturday	+	+
Sunday	At school	+
Monday	At school	+
Tuesday	At school	+
Wednesday	At school	+
Thursday	At school	At school

4.4 Evaluation of the Learning Activity in Denmark

I suggest that Turkey prepares the evaluation questions beforehand and we use some time to evaluate on Thursday afternoon or at least all participants get the evaluation forms immediately after the event.

5. Next Online Teams meeting: February 1st at 3pm Danish time.

Agenda:

- The last preparations for the Learning/Training Activity in Denmark
- Discussion of the Learning/Training Activity in England in the end of March

Greetings, Elisa
