**Erasmus+ School Exchange Partnership “Active”
(Project number KA229-2019-015)
Activity C2: ACTIVE Body and Mind in Varied learning
environments. Our aim is to arrange a themed week to work
together using different learning environments. The expected
results is that the pupils and the accompanying teachers will
develop an understanding of the way in which the learning
environment can impact positively on learning, and share this
with their peers/colleagues at home.**
