

Agreements, August 30th:

- It is required to get the **Mobility Tool** updated and the **Final Report** from every country before 20th September.
- Link to become an **SDGs Teacher**: www.teachsdgs.org
- Italy will prepare a **lesson plan** about the **SDGs Lab**.
- **SDGs Action! grid** will be filled for all the partners..
- **External feedback** (from the Mayors, headteacher....) They must be uploaded on twinspace. One per country as minimum.
- Record a **video with teachers' opinions** from each country. Videos will be uploaded in the twinspace (teachers evaluation - participant teachers).
- Write a **report about the Coordinator's task** concerning the coordinator's task. It can be uploaded on the twinspace (evaluation- coordinator's task) or be sent to a personal email to Fina.
- **Rename the Scratch games**: SDGsAction!_SDG1 ...
- Upload all the pending material in the twinspace in order to update the website. (Photos playing SDGs Book, doing workshops, teachers training, presentations, and so on...)
- Project's **website**:
<https://sites.google.com/view/sustainabledevelopmentgoalsact/home?authuser=0>
- Creative commons have been created for our SDGs Action Project creations: SDGs box game, SDGs grid and Visible actions for invisible waste board game.
- **Revise parent's permission**. Each country is responsible to check the pages that cannot be public. If we want to remove something from the website, let Natasha or Fina know.
- Check the platform results.

We will meet again before sending the final version of the final reports from each country. **September 24th at 12 PM (CET)**.
