

COVER: 8,5 CM X 8,5 CM

LETTER: Bradley Hand ITC

The infrastructure must respond to the present and future needs of society.

Mass transport and renewable energy are becoming more important in cities.

Rural communities must have access to goods and markets in order to prosper.

Renewable sources of energy, the possibility of using drinking water, education and social services depend on a good infrastructure.

9. Industry, innovation and infrastructure

1. What infrastructure is needed?

2. What things are important in cities?

3. What is important for rural communities to prosper?

4. What depends on a good infrastructure?

5. What color is the girl's eyes?

6. What color is the girl's shoes?
