The persistence of inequality makes economic and social development difficult. Inequality destroys people's sense of fulfilment and self-worth

it is important to reduce inequalities of income and to guarantee equal opportunities for everybody, eliminating discriminatory laws

We all must promote the social, economic and political inclusion of all people

Governments must promote migration policies for a safe, responsible migration

## 10. Reduce Inequalities

1. What does inequalities determine at an individual level?
2. What is it important to do with reference to incomes?
3. How can we guarantee equal opportunities?
4. What kind of inclusion is important to promote?
5. Which is the objective of good migration policies?
6. Who's got glasses in the Goal 10 logo?
