

Virtual mobility
Life on Land
10th, 17th and 18th May 2021

All timetables written in CEST time (Brussels time)

Monday 10th May

Goal : discover what biodiversity is, both visible and invisible

- 9:15 - 9:30** Mobility introduction ceremony
What is biodiversity ? Video prepared by French pupils : meet BioMan and BioWoman
- 9:30 – 10:00** Play a game about biodiversity
- 10:00 – 10:15** Break
- 10:15 – 11:30** Presentation of the importance and variety of insects by French students
Workshop = Build an hotel for insects
Some more explanations in the workshop description file.
- 11:30 – 12:00** Who are the pollinators ?
Mission : observe biodiversity in your country –Pollinator challenge presented by French pupils (take photo, to be done for the following week – Transnational teams; on padlet per team to upload the photos).
Some more explanations in the workshop description file.
As some transnational teams will be necessary for this activity, please send me as soon as possible the number of students involved in this virtual mobility.

Virtual mobility
Life on Land
10th, 17th and 18th May 2021

All timetables written in CEST time (Brussels time)

Monday 17th May

Goal : actions to preserve biodiversity

- 9:15 - 9:30** Restitution Pollinator Challenge – Present the winning team (the team that will have the most different photos)
- 9:30 – 10:30** Workshop – Create a pollinating seed bomb
Mission : create pollinating seed bombs to be spread around your town
Some more explanations in the workshop description file.
- 10:30 – 10:45** Break
- 10:45 – 11:15** Vegetables – 3 plants are the basis of human food but there is a variety of fruits and vegetables with all forms and shapes.
With the fruits and vegetables collected in each country :
- build the letters of BIODIVERSITY (2 letters per country) with the vegetables you have found. Take photos and share with partners to reconstitute the word.
- Bring their back home and cook something with it. Send the photos to your partners.
Some more explanations in the workshop description file.
- 11:15 – 11:45** Workshop – Cook radish tops (they are often thrown in the trash but could be eaten. Prepare a delicious “Radish tops pesto”
Some more explanations in the workshop description file.
- 11:45 – 12:00** Evaluation (online quizz)
End of the mobility. Certificates.

Virtual mobility
Life on Land
10th, 17th and 18th May 2021

Tuesday 18th May

Due to difficult conditions because of COVID pandemic, partner schools are allowed to run this activity whenever they want.

Photos and data about the kilos collected by each country should be uploaded in the following padlet :

<https://padlet.com/fvendrel/3n6ej8xh97in>
