

## Survey on interests/ experiences/ expectations

Gefördert durch

Erasmus+  
Schulbildung

Name (optional): \_\_\_\_\_

Age: \_\_\_\_\_

Form: \_\_\_\_\_

### 1) General experiences and interests

a) Have you participated in any exchange program or have you been abroad for more than 2 weeks (with the school)?

No.

Yes.

Where did you go to? \_\_\_\_\_

b) In general, are you satisfied with the international programs our school offers?

very satisfied

somewhat satisfied

neither satisfied nor dissatisfied

somewhat dissatisfied

very dissatisfied

c) Would you be interested in another international program that is being established at our school?

very interested

rather interested

neither interested nor disinterested

rather disinterested

very disinterested

d) What do you think are the biggest advantages from participating in an international program? You can choose several options.

improving one's language skills

getting to know other students

getting to know other cultures/ mentalities

reducing prejudices

promoting one's own independence and self-confidence

gaining advantages for one's Curriculum Vitae/ resume

other: \_\_\_\_\_

## 2) Our Erasmus+-project

a) What are your expectations with regard to our project? You can choose several options.

improving my language skills

getting to know other students

getting to know other cultures/ mentalities

reducing prejudices

promoting my own independence and self-confidence

gaining advantages for my Curriculum Vitae/ resume

other: \_\_\_\_\_

b) What is your preferred method to work on in the project?

working together in pairs

working together in groups

working on my own

a mix of the options above

other: \_\_\_\_\_

c) How much guidance by a teacher do you think is generally necessary to complete assignments successfully?

my teacher can give me an assignment and I'll manage to complete it by myself (or with other students)

some supervision is necessary: our teacher has to give me instructions throughout the working process

there should be constant supervision by a teacher and we all work together on assignments

other: \_\_\_\_\_

In general, do you think that self-directed learning (= students take charge of their learning process) is fostered at our school?

No.

Yes.

Sometimes.

d) Should self-directed learning be fostered in this project?

No, not necessarily. Why? \_\_\_\_\_

Yes. Why? \_\_\_\_\_

Only partly.

*General comments/ expectations/ interests with regard to the project:*
