

# ANGRY BIRDS / ROVIO

Angry Birds is a video game series created by Finnish Rovio.

The main part of it is birds of different colors who try to save their eggs from green pigs.

First Angry Birds game was made in 2009 and most recent was made in 2017

Rovio also makes products and animations.

Rovio's hometown is Espoo, Finland.

Rovio was made in 2003 named as Relude, renamed in 2005 to Rovio mobile and lastly to Rovio Entertainment.

The Rovio logo consists of a red stylized bird-like shape on the left, followed by the word "ROVIO" in a bold, red, sans-serif font.
