

I'm a reader, I'm a thinker,
I'm a scientist!
I love books, culture, maths
and biology.

**We're on the edge
of technology
But meeting our friends
will be nice to see!**

I'm a runner, I'm an artist,
I'm a traveller!
I love art, music, nature,
Europe, history.

**We're on the edge
of technology
But meeting our friends
will be nice to see!**

We are young, Europeans,
we are having fun!
We are cute, smart and bright
full of energy.

**We're on the edge
of technology
But meeting our friends
will be nice to see! (2x)**
