ETW TRAIN

4. Slow Station

CHECKLIST

Copy and paste the emoji

I have searched for the lifecycle of my T-shirt/sneakers	
I have shared the ideas I found after watching the video (answergarden)	
I have shared the story of my T-shirt/sneakers on the Twinboard	
I have collaborated in the international forum: - I have posted (reply) an idea and an answer (quoted) in the forum.	
I have drawn my idea and shared it in the international team padlet	
I have created my eTwTRAIN passport and added my badges.

SLOW STATION

	Excellent 4 pts	Good 3 pts	Fair 2 pts	Poor 1 pts
Participation	 <p>Excellent Student participates in all class activities all the time.</p>	<p>Good Student participates in most class activities all the time with few reminders.</p>	<p>Fair Student participates in class activities around 50% of the time and is in constant need of reminders to participate.</p>	<p>Poor Student rarely participates in class, and needs to be constantly reminded of the need to participate.</p>
Engagement & Effort	<p>Excellent Student is always fully engaged and tries their best. Always on task and never needs reminding about anything. Student completes work to an excellent quality level.</p>	 <p>Good Student is usually engaged and tries their best all the time. Mostly on task and needs reminding about anything. Student completes work to a high quality level.</p>	<p>Fair Student needs frequent reminders to remain engaged and to work to the best of their ability. Student completes acceptable work to a reasonable quality level.</p>	<p>Poor Student constantly needs reminding to remain on task. Student rarely completes acceptable work.</p>
Cooperation/Contribution/Safety	 <p>Excellent Student contributes to group work. Student always follows directions first time given and obeys safety rules.</p>	<p>Good Student usually contributes to group tasks actively. Student had to be reminded to follow directions and safety rules.</p>	<p>Fair Student doesn't contribute to group task very actively. Student needed to be reminded to follow directions safely.</p>	<p>Poor Student doesn't contribute to group task at all. Student needs to be reminded more than once to follow directions and safety rules during the class.</p>

REFLECTION

1. You can download the badge [HERE](#)
FILE > MAKE A COPY> save it
2. Add a comment on the Twinboard
3. Add a slide and write a paragraph to explain your work and assessment
