

WANTED

The Enormous Crocodile is wanted for trying to gobble down innocent children.

The Enormous Crocodile has been spotted trying to catch and munch the poor children who live close to the African jungle. This evil and sly creature has had enough of eating the fish in his brown, muddy river and has been spotted sneaking through the jungle on a hunt for poor children to eat.

The unfriendly crocodile has spikes on his green back which are as sharp as knives! When he grins you can see hundreds of razor sharp teeth ready to eat up little children. His horrid eyes look as sneaky as The Grinch and as evil as Mr Twit. His gigantic tail is as long as a snake and he uses it to wrap around small children.

This trickster is vile, sour and monstrous and needs to be found as soon as possible. Africa won't be safe until he is found!
