

On the 1st of April, we pull jokes and stick fishes.

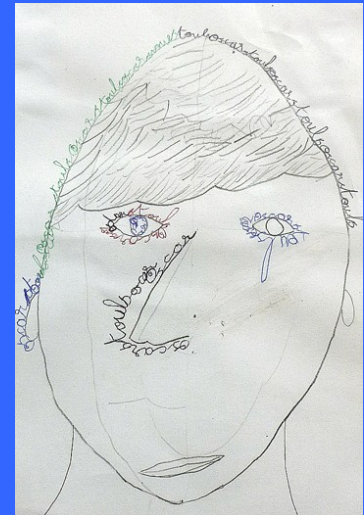

On the first of April, we stick paper fishes on the back of people.

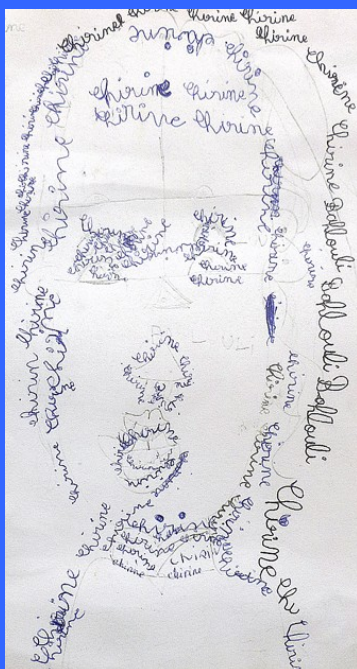

I like the April Fools' Day because we stick fishes ...

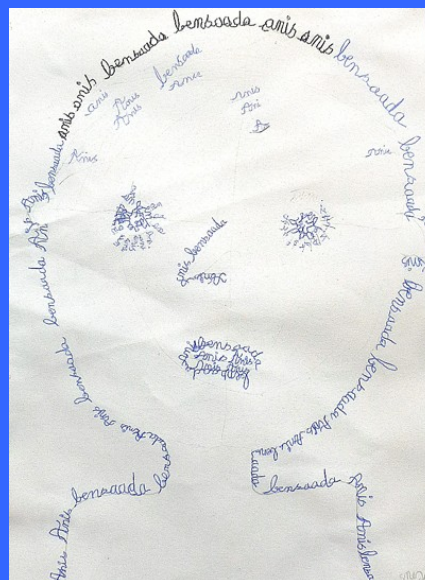

On the first of April in France, we stick fishes in the back of people and we pull out jokes. For example, I can make my friends believe I've got a green rabbit !

On the first of April, we prepare big and little paper fishes. This is funny. We pull pranks too.

I love April Fools' Day !
