It was an amazing experience and i would definitely recommend it to more people

Amazing experience

They are interesting and help to improve our english and learn more things about sustainability.

They're very great and I enjoy them a lot, because they're wonderful for learning a lot of more things and we all end up having a very nice time.

I think that the project Erasmus is very important, because it can help you to do a great experience and to now more new cultures.

I loved the experience and if I would be longer in school I would definitely do it again
