Germany

Erasmus+
Enriching lives, opening minds.

Project 1a: These goals we support the most

Goal 15: Life on land

Goal 11: Sustainable
cities and
communities

Our Projects

Throw away trash with fun!

- We want to encourage people to dispose of their trash.

Ashtrays for our trainstation

- We want ashtrays for our
trainstation

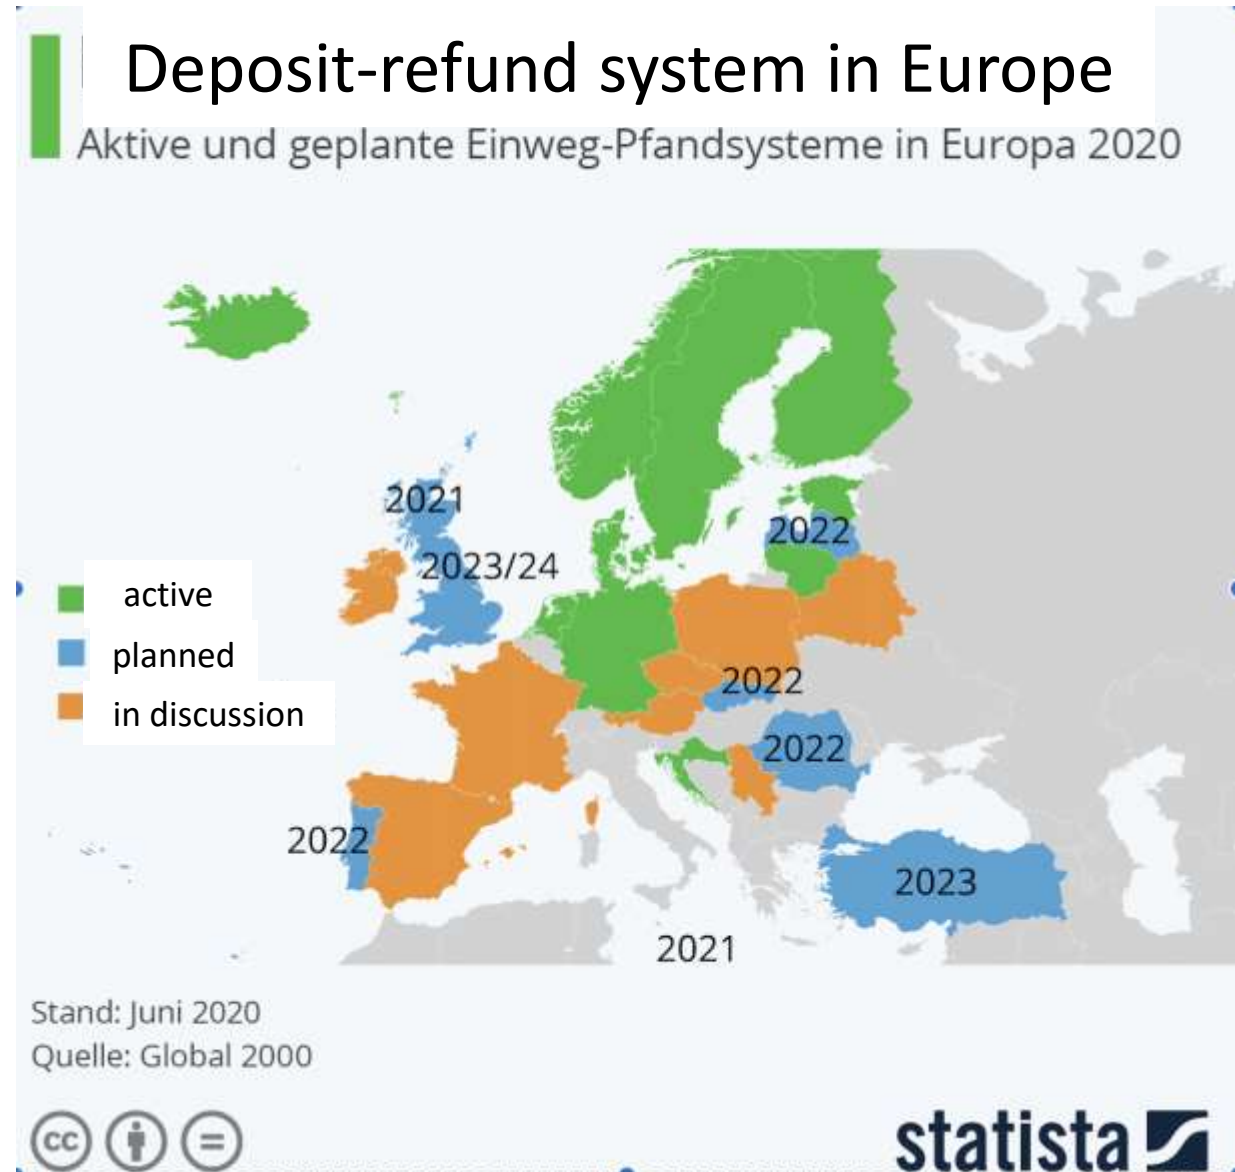

Swap Party

The Project had to be canceled because of
Covid-19 guidelines

What are our reasons?

- The Topic is very important in our eyes.
- It impacts us every day.
- We want to help our city to be more sustainable.

Project 1b – For
a clean school –
we collect
deposit

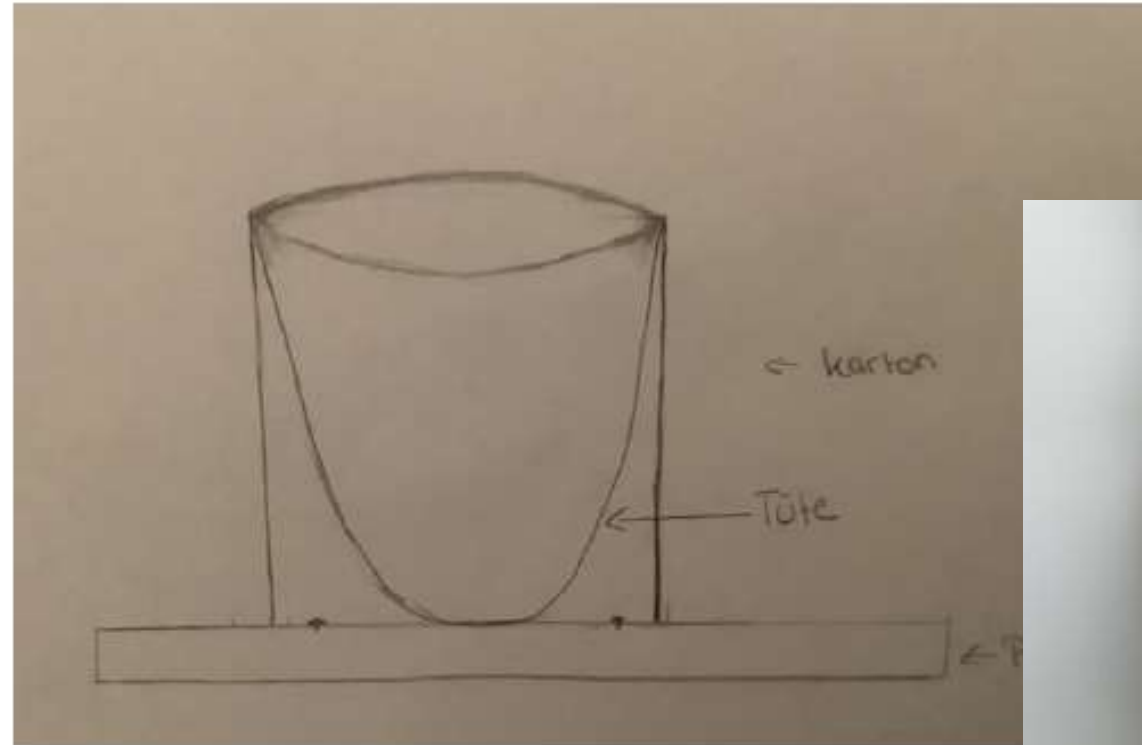

Drawing:

Karton=carton

Tüte=reusable black garbage bag

Palette=wooden pallet

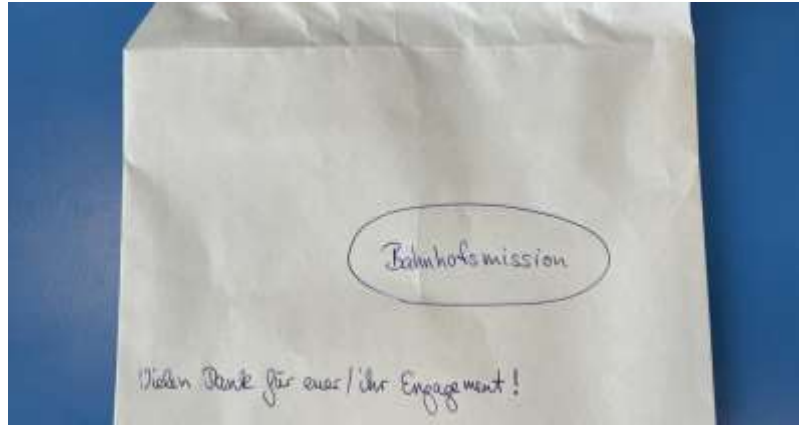

“Lässt du deinen Pfand hier, entsorgen wir ihn dir!”

Translation: “If you leave your deposit here,
we will dispose of it for you!”

Project 2 – Support of homeless people

We collected 600 € with one letter!

Project 3 – A sustainable playground at school

Hamsterwheels for students generating electricity

- active schools – time to move between lessons help one to memorize
- value of energy

Vote for the best
project!
