I think the etwinning project...

My favourite part of the project was:

65 responses

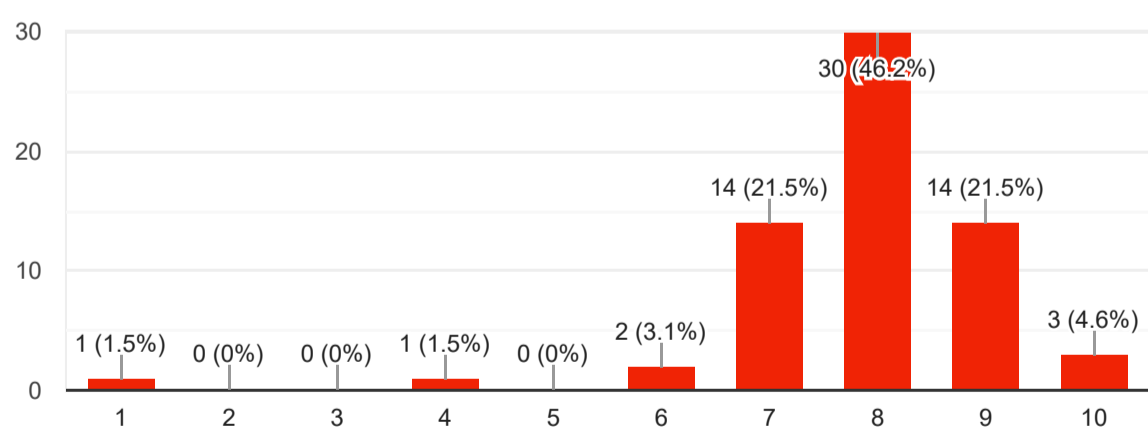

How would you improve this project?

65 responses

- Nothing
- More communication between students
- N/A
- More fun
- Normal
- Taking small trips for the searches
- interacting more with students from other countries
- By being more accurate
- I would improve the project by having more interactive meetings with the other students

How do you evaluate the project?
