Let's introduce ourselves!

You can write about you and your school.

**Didem Turakine Şahin /
TURKEY**

Hi everyone, I'm Didem from Turkey, Balıkesir. I've been teaching English since 2011. My students are 8 to 14, but in this project you'll meet 13 years old ones. I love my job, my students and my school. I've meet Etwinning this year but I love it already :) I know that this project will be great for us and our students. There is a video that I prepare for another project (not etwinning). You'll see our school and our students. I'm looking forward to meet all of you :)

Giovanna Gregorio, Italy

Hello everyone! I'm Giovanna Gregorio, and I teach English at the Istituto Comprensivo Su Planu, Selargius, near Cagliari. I love my work and my pupils and I'm happy to meet you all. My pupils are from eleven till thirteen years old . I love eTwinning and I'll work together my Italian colleague Paola Oggiano, we work in the same classes. Waiting to hear from you soon

Despoina Amarantidou, Greece

Hello, everyone! I am Despoina from Drama, a town in Northern Greece. I have been teaching English at a Primary School and my students are from 7-12 years old. I have been an eTwinner for about five years and I like using Technology and particularly Web 2.0 tools into my teaching. I am attaching a video I made for my school in 2016. The School participated in a festival against bullying and graffiti artists "created" at the outside walls of the school.
