What will we do?

Teach how to dance

- You should record a video.
- In the video, your sts teach your traditional video step by step.

Send the video to your partner.

- You should send that video to your partner.
- (!!!!) Also you should send music of the dance and pictures of traditional costumes of dance (one for men and one for women)

Receive the video and Dance!

- After receiving your partner's video, your sts will practice and learn the dance.
- Record videos of your sts while dancing.
- Then of course publish on twinspace.
