Now, an important question... Can you tell us about you curriculum for your project class? We don't want the full curriculum. Just the subjects briefly. (For example; We have "daily routines","present simple tense","foods and drinks" for the project class. It can be like subject as shown or unit's names. "After School", "A Day in My City" etc.) It can be a little difficult to answer it but you know that Etwinning projects should be integrated into our curriculum if we want to run a qualified project and provide cooperation. ;) *

music, arts, primary school

Last Question, What time and days you have lessons for your project class? (For Example, I have lessons 13:45 to 15:25 on Tuesdays and 13:45 to 14:25 on Thursdays. By the way its GMT +3) *

Monday 14:00 to 14:45
