

HIGHWAY TO HEALTH (#h2h2020)

INITIAL EVALUATION: ASPECTS RELATED TO THE SECOND RING

Do you know of any environmental hazards in your area?

If you answered yes, which ones do you know about

These are the most common answers:

Pollution of the air / Air pollution generated in Barcelona moving to Osona / Pollution of the air (ozone)

Underground water pollution / All kinds of substances underground

Rubbish in the forests / People are stupid and they are putting rubbish EVERYWHERE
Excess of waste / Litter isn't collected that often / Illegal dumping

Too many cars in the school surroundings / Cars

Nuclear power plants / An old ammunition factory Hirschhagen / The factories

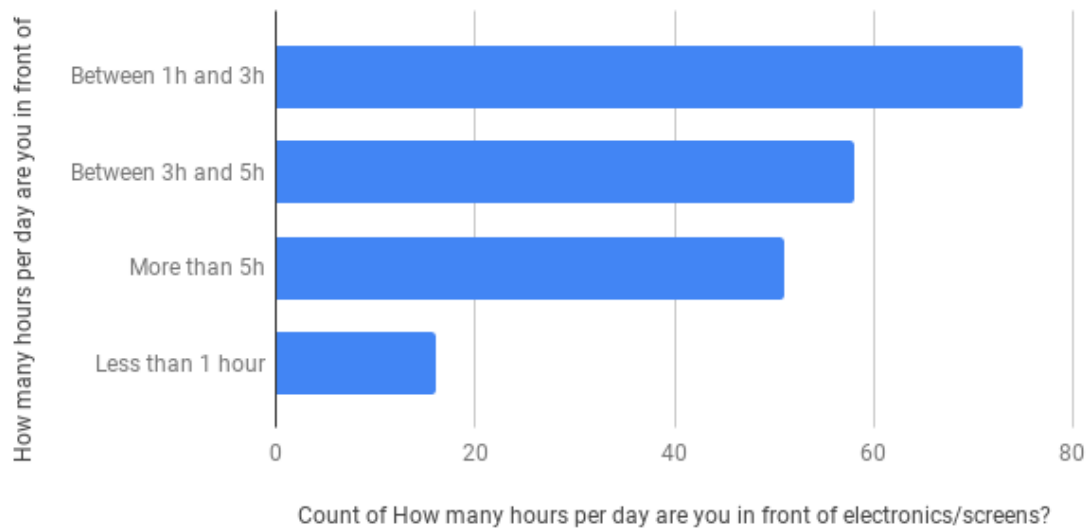

Deforestation

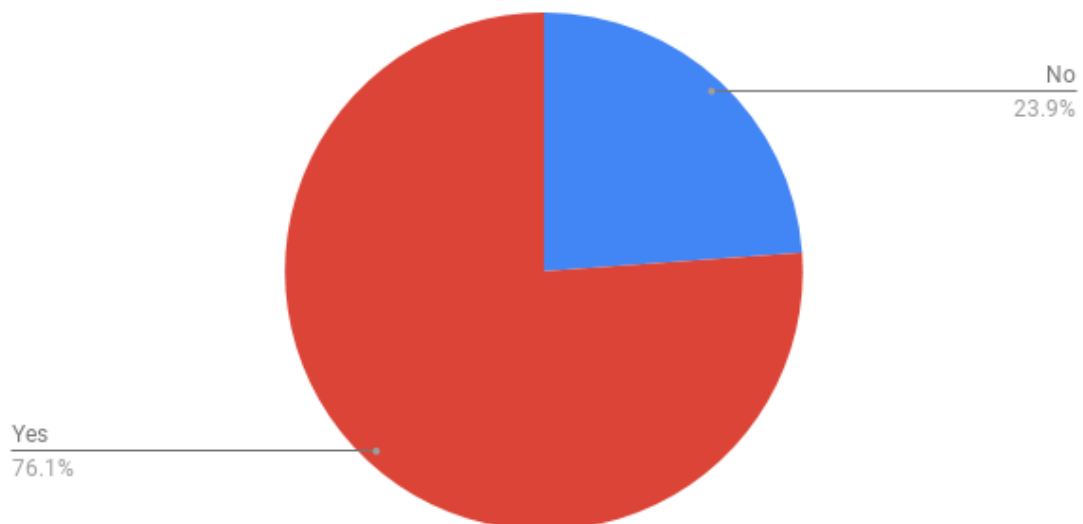

HIGHWAY TO HEALTH (#h2h2020)

How many hours per day are you in front of electronics/screens? (school time/leisure time/home time)

Do you know how to protect yourself from screen/wifi hazards (radiation, blue light, screen addiction)?

HIGHWAY TO HEALTH (#h2h2020)

How often do you do activities in nature/outside?
