5. Have you encountered language difficulties? If so, how did you manage to make yourself clear?

Most common or significant answers

- Sometimes, the parents couldn't speak English so we had to use google translate or my host had to translate everything they said.
- Sometimes I used google translate
- Smiling always helps!
- Just by trying :-). We all come from different countries and speak different languages, so everybody is trying to explain himself/herself and everybody makes mistakes...
- No problems. Gestures and a smile.

6. Think of yourself being 20 years older... ;-) What is it you will remember from this Erasmus+ meeting?

Most common or significant answers

- Meeting different people... and realising we are not that different at all...
- That it was an amazing experience! I made new friends and learned about the Catalan culture in a way that not much people did. I integrated in the life of a Catalan student! I will be very thankful to the teachers for giving me this amazing opportunity and I will absolutely recommend my family to participate other Erasmus projects. I would really like to do my college/university abroad and I think that this is already a very good start!
- How kind everyone was and the beautiful landscape in Manlleu
- The many kind people I met and the much sport I did with others
- The multinational atmosphere
- Having met wonderful people! And that physical health is important... we should be aware of that before it's too late!

- I will remember the experience of meeting other countries people, the different cultures, the activities and how useful English is to talk to people from other places.
- I had a lot of very great moments during this experience so but I also made a lot of new friends. The people I met, that's what I think I will never forget.
- The experience of living together with the other countries.
