

## MEETING IN NASAUD. ROMANIA

### From 3rd to 9th October 2021

#### Monday 4:

Arrival in the country early in the morning. We slept at Pensiunea Coco hotel, where the bathrooms were filled with colors. The first day in the Mihai Eminescu school from Nasaud. There we met the Italian and Polish students. Then we met the Romanian students and we did a mini tour of the school. We went to a museum and a church. We met the Nasaud mayor. We made a little excursion to an orthodox monastery and while we were going to visit a lake called Colibita-Marea de la Munte we stopped at the Dracula Castle.

#### Tuesday 5:

We were separated into two different groups: one group did some ceramics, where we did the Nassaud shield; and the other group played with the computers. We visited some churches and we started getting on with the Italian and the Polish students. We visited Bistrita, we saw a park and some shops. At night, we met each other at the hotel reception and we all sang different songs.

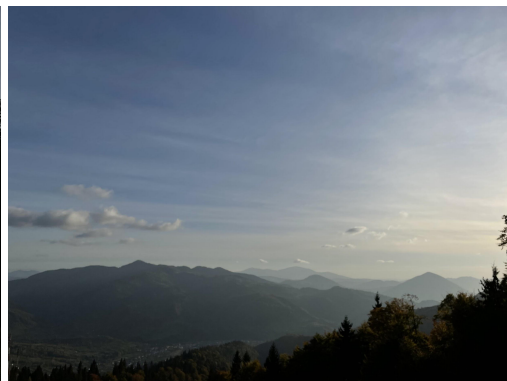

### Wednesday 6:

In the morning we had some free time and we went for a walk in Nasaud. There was a market with some fruits, vegetables, clothes, ... Then we made the presentations of the different projects of each school: the Greeks designed some little beds for dogs and the Polish team had many different projects. The Polish gave us Tsunami, a little horse made by hand. For lunch time, we went to Romuli to a Michelin restaurant called the Rin Pastravarie & Restaurant. The chef, Nina Rus, prepared some delicious dishes and the local TV recorded us. Then we visited some churches like Bogdan Voda. At night we made our first contact with the Greeks by a video call.

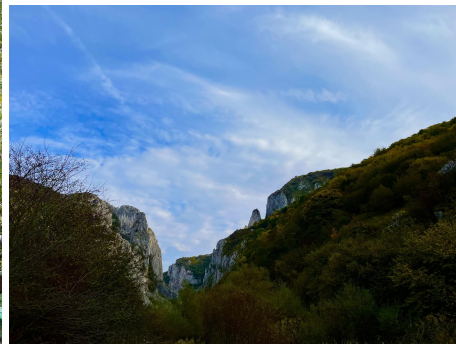

### Thursday 7:

On Thursday it was Jordina's birthday, and we all sang the typical birthday songs together. We visited a museum of typical Romanian clothes. We went to Mon Jardin bakery to have an afternoon snack. The pastry chef explained to us the importance of doing what we like. We climbed a mountain in the Carpathians, where it was cold and tiring. Nevertheless, it was beautiful and so much worth it. We had dinner in the school, where we bid farewell to our European friends while we sang songs.

### **Friday 8:**

They gave us our diplomas of attendance in the school. We went to Cluj Napoca and visited the salt mines “Salina Turda”. They have a lake inside and an area for different activities, like ping-pong. We did an excursion to Wąwóz Kraków mountains, where we had our last photo together. We arrived at Cluj Napoca, and our hotel was the Grand Hotel Napoca.

### **Saturday 9:**

It was Ruth's birthday. In the morning we visited the center of Cluj Napoca. We visited some churches. After that we had some free time to walk around the city and we went shopping. After having lunch at KFC, we strolled around the city. We went back to the hotel to take our luggage to go to the airport. We took our plane at 19h.
