

# NATIONAL SCULPTURE MUSEUM

# INTRODUCTION

It is one of the most important sculpture museums in Europe and has more than 1500 and 1226 paintings on exhibition .

It is next to Saint Paul Church.

# HISTORY

It is one of the oldest Spanish museums . It was built around 1490 and was founded in 1842 as an art museum.

The museum houses works from the 13th to 19th centuries, executed in the Iberian Peninsula or in other regions historically connected to Spain (Italy, Flanders, Southern America).

# HOLY WEEK IN VALLADOLID

It is one of the main cultural events, religious and tourist attraction of Valladolid and the province.

During the Holy Week in Valladolid, the museum gives 104 images to the processions for the brotherhoods.
