

## ***Podoskyi park***

***It's a popular and wonderful place to relax in our town. Sometimes local people call this park a forest, because it's enormous.***

***And this park has a small story. A small house can be seen inside the park and sir Podoskyi lived in these house with his family in the 19<sup>th</sup> century. You can see a pond, which is located not far from the house. An island can be seen in this pond.***

***Nowadays many festivals are held there on summer holidays.***
