

There is a miracle of our town and region. This is Leskove village one of the districts of our town. And Dahovsky castle is located here .The Castle was built in the 19th century . The family loved England and built the castle in English style. It is interesting that the tea parties were held in Castle for the local people. The son of Dahovsky who was studying in Europe , made a beautiful park near the Castle. Visitors can be see a hippodrome and horse factory on the territory. People says that ghost of Dahovsky could be seen in Castle now. Sadly , it has been damaged many times since then. You will be amazed by this delightful place , which should not miss by any visitor.
