

WORLD HERITAGE CITIES IN CASTILE AND LEON

by Daniel Milán

WHAT IS A WORLD HERITAGE SITE?

Heritage is our legacy from the past, what we live with today, and what we pass on to future generations. Our cultural and natural heritage are both irreplaceable sources of life and inspiration.

The United Nations Educational, Scientific and Cultural Organization (UNESCO) seeks to encourage protection and preservation of cultural and natural heritage around the world considered to be of outstanding value to humanity.

THERE ARE MANY WORLD
HERITAGE SITES IN
CASTILLE AND LEON

*Castile and Leon has three World Heritage Cities;
one of them is Avila*

THE WORLD HERITAGE CITY OF SEGOVIA

The Aqueduct of Segovia (or more precisely, the aqueduct bridge) is a Roman aqueduct and one of the most significant and best-preserved ancient monuments left on the Iberian Peninsula. It is located in Spain and is the foremost symbol of Segovia, as evidenced by its presence on the city's coat of arms.

CASTILE AND LEON IS SO BEAUTIFUL

Does your region have any
World Heritage Site?

In my opinion, the most
beautiful World Heritage site
in my Region is the Burgos
Cathedral

THE BURGOS CATHEDRAL ...

... is a Gothic-style Roman Catholic cathedral in Burgos, Spain. It is dedicated to the Virgin Mary.

The cathedral was declared a World Heritage Site by UNESCO in 1984.
