Organizations

Food Bank Against
Hunger

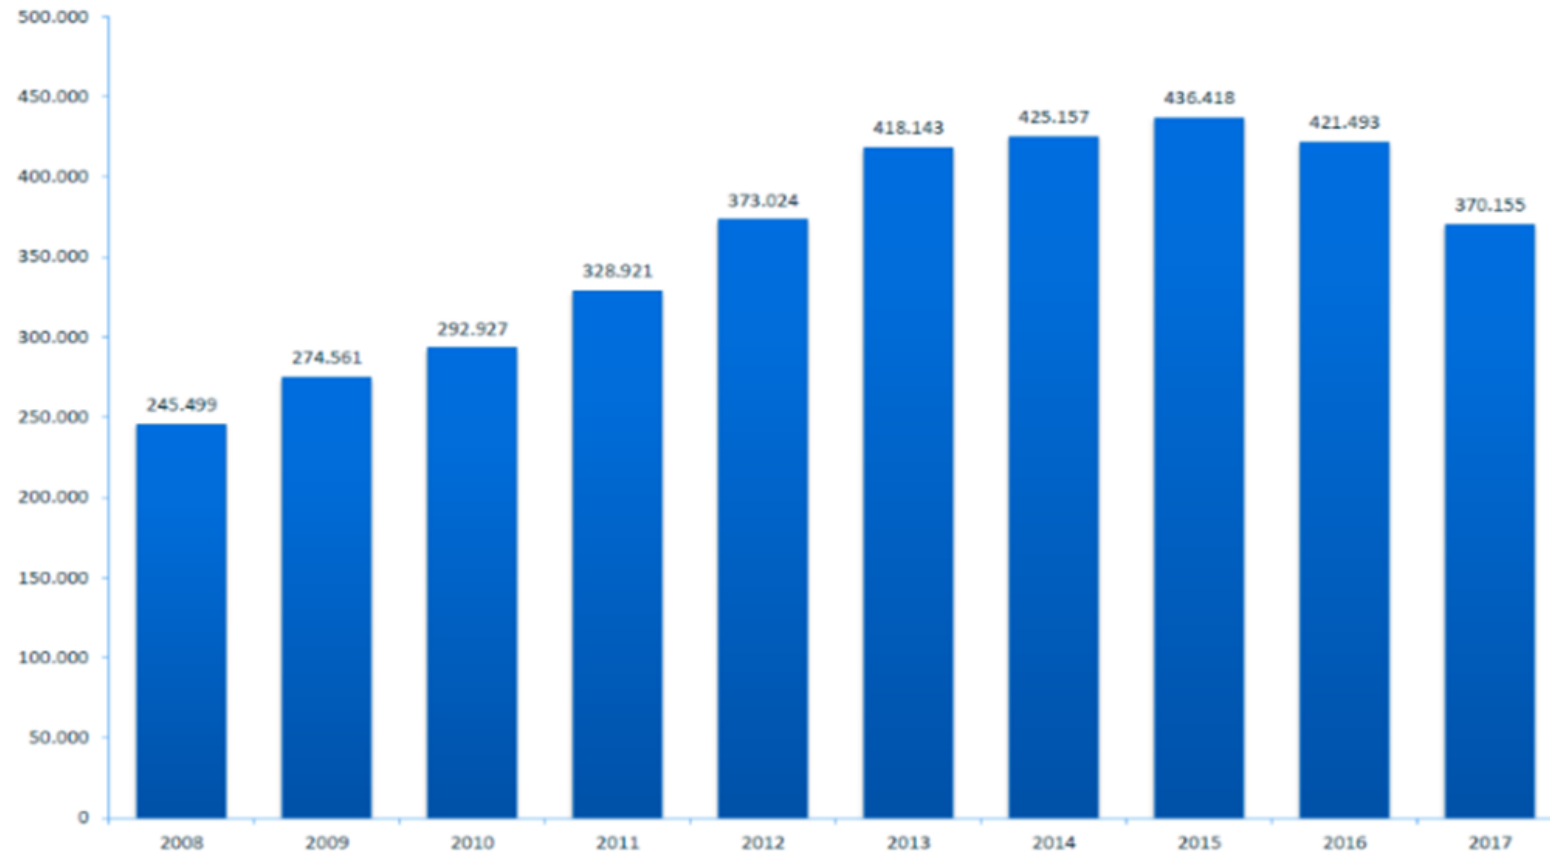

Solidarity Statistic

- The active Food Banks collect and distribute several tens of thousands of tons of products and support throughout the year, the action of institutions in Portugal. In turn, these distribute confectionery and food baskets to people who are proven to be poor, with a total distribution of more than 390,000 people.
- The Portuguese Federation of Food Banks Against Hunger coordinates this action, animates the network by providing information and material means, represents the Food Banks Against Hunger besides the public authorities, national companies and international organizations and carries out, at national level, the distribution of some gifts, creating a vast chain of solidarity.
