## What is your best memory about all the project Together we can?

My best memory of this project was being able to talk and communicate with teenagers from other countries.

What impressed me is the video of Nelson Mandela, a man who fought with all his energy for equality, peace, the indissoluble rights of every man.

Meeting with other Europeans of my age..

For me, communicating with people who live in other countries has been a wonderful experience

The important message

The fact that I met people from other countries and learned new things

my best memory of the project is when i talk about the etna at the people of different countries

Hosting and meeting our partners when they visited Cyprus

The Movie in the 5th Mobility

My best memory is that I met and exchanged ideas culture, opinions, with other Europeans students of my age.

The visit to other countries

I worked together with students and teachers from other countries and we shared our common worries

The first time we met

The movie about Nelson Mandela

We get to meet and communicate with other people from different countries

mobility to Alcala del Rio

The final video of Italy.

When i met the group of Italian students that came to Spain( Matteo, Tineth, Marcela and Salvo)

when I received other people from different countries in my house and we had great moments that became memories

The videos of the Italian students.

My best memory was when we made an activity based on funny sport activities mixed with social equality ideas in Spain.

the movies with other students

I dont know. For me, all the project is memorable

The reception of the countries in Portugal, it was very funny
