Do you think your students have benefited out of this virtual mobility?

Responderam: 12 Ignoraram: 0

## Which tasks/activity did you like the best? Why?

The musical video, because I loved the choice of the historical figure and the video about his life was quite interesting.

The presentations about each country because it's interesting to know the situation in each country and also that the pupils prepare this subjects

Interviews on migration. Because they dealt with migration in real life.

The first day activities in which the partners present their work about migration and refugees.

The students ' opinions about the racism and inclusion

The Drawing Competetion

The art competition... it was very creative.

Presentations/ film/ interviews prepared by partners about migration in their country

Students' presentations and the theatre play.

All the activities and tasks because they were well organized

Ubuntu show.

## Musical Ubuntu

# What do you consider to be the main strength of this project meeting?

The ability to organize it overcoming the difficulties of online meetings.

To be able to overcome the difficulties of being a virtual meeting

Overcome the difficulty of conducting a virtual meeting.

Despite the difficulties in relation to technology, the children were very excited to have the opportunity to communicate with students from our partner schools.

The collaboration among teachers and students

The realization of a mobility entirely carried out online. The perfect focus on the theme of Migration.

Very good organization

Interaction with partners

The possibility of students to interact with students from other nationalities and develop their skills in what English is concerned. They were highly motivated and worked hard in order to fulfill all the required tasks.

Allowed to know other cultures and realities.

Pupils presentations

# Were there any weak points?

Our own ability to encourage our students given that they wouldn't go to Italy physically.

our own ability to encarry our students

The technological problems that cause difficulties to our communication.

Thecnical problems and the weak connection

Some technological problems due to audio and video connection

No

Technical issues

No week points al all. Congratulations for all the work.

There were no weaknesses.
