Where do you come from?

33 responses

The project was about appreciating our cultural heritage, promoting tolerance and acceptance as well as working for sustainable development in relation to the sea. How did you manage?

33 responses

Which activities in the project did you like?

33 responses

Which was the activity you liked best? Why?

33 responses

Day
at the museum! It was like going to different museums all year round

Blue
and his travels, students had to invent a story and had to draw.

Legends

paper
boat activity

I
liked the activity on legends because it gave me the chance to learn more about
cultural traditions I did not know

Musical
bands because I learnt a lot while I was looking for my local band

Legends
because I didn't know anything about our sea legends

Fridays
for future because I like Greta Thunberg and her passion for
environment

Musical
bands because I am a majorette in my town band

the
one of the paper boats

a
day at the museum because I like history.

paper
boat and I like crafts

Blues
and his travels because I like to hear interesting stories about him

Keep
the sea clean because we draw things together

when
we talked about Blue, when we went to the museum and talked about keeping the sea clean because I believe that we can make a change in our world and oceans.

keep
the sea clean

Legends
because I did 1 of them

paper
boat activity

the
paper boat activity because it was fun

The
day at the museum because it was very historical.

when
we did team work

Paper
boat because I liked the musical instruments

recipes
because I like to cook

paper
boat because I like the fact that we used a lot of teamwork

Sharing
blue and his voyages

Exchanging
boats and receiving Blue. These activities showed true collaboration.

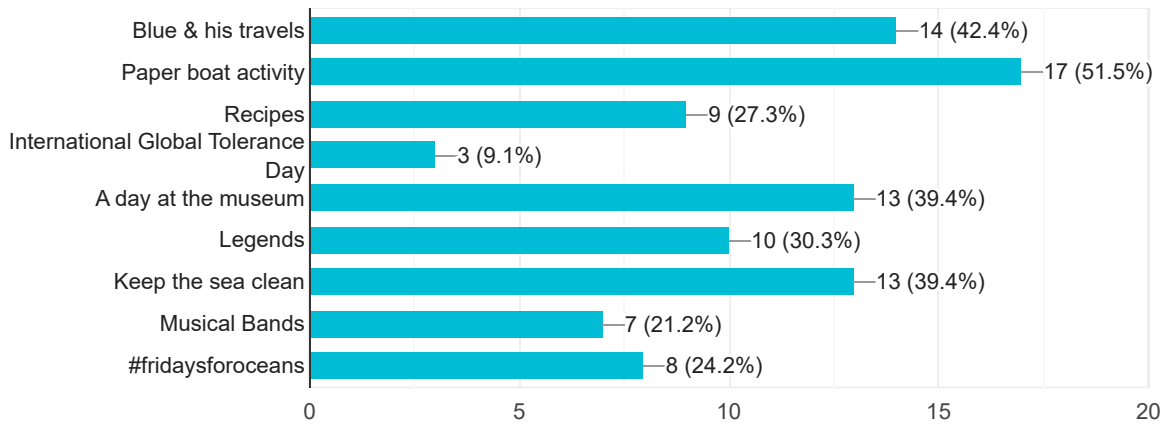

when we went
to the museum

sending
and receiving paper boats

video
about my hometown

All
of them

I
enjoyed the day at the museum because I learned a lot of things

Was there an activity you didn't like? Why?

33 responses

no

No

not
really

Legend
as in our country we don't have many it was hard to work on

All
them were well chosen and very important.

No,
all of them were really nice and involving

I
liked all of them

Paper
boat activity because I am not good at drawing

No,
I like every kind of activities more projects

the
musical bands because I don't like music

no

Paper
boat activities because I am not good at making these things

a
day at the museum because I did not understand but I had a lot of fun watching
the ships

no
I liked all of them.

A
day at the museum

I
liked all of them

Recipes
because it wasn't that exciting.

yes
because I wouldn't like that subject

No,
there was no activity that I did not like.

musical
band I do not like that stuff

no, because
all of the activities were nice

Not
really. wished I had more time to devote to project

No
not really :)

legends
I wish we did something more interesting

I
am not good at drawing

What are your suggestions for future projects?

33 responses

no

No
suggestions

I
would like to participate in another one.

To
work with fewer schools

I
think that all the themes about the weather, ecology, recycling or the oceans are very important. There are many things to do yet.

More
collaborative works among students and in international groups

I'd
like a skype connection

More
projects

plan
a meeting

maybe
go on an outing and clean a sea

that
students participate

stop
pollution

To
go out a lot more and meet new schools

making
more group work

I
think that we should do a lesson where we make stuff out of plastic.

More
crafts

I
don't have any

.

nothing it
was all great

Perhaps
a beach cleanup to help the ocean.

nothing

Maybe
we can clean the beach

maybe
taking student for an outing to clean the beach sand

do
flag of every country in the project

The
fact that the project had varied activities.

Less
or no twinspace activities during holiday periods :)

we
do a little video of how to reuse different plastics

postcard
trading

Nothing

Maybe
including a traditional dance video of the countries

any
suggestions
