There is an Ancient phase, subdivided into a **Mycenaean** period (texts in syllabic script attested from the 14th to the 13th century BCE) and **Archaic** and **Classical** periods (beginning with the adoption of the alphabet, from the 8th to the 4th century BCE); a **Hellenistic** and **Roman** phase (4th century BCE to 4th century CE); a **Byzantine** phase (5th to 15th century CE); and a **Modern** phase.

A butterfly is perched on a cluster of small, light-colored flowers. The butterfly's wings are dark with some lighter patterns. The background is a soft, warm sunset with a large, bright sun in the upper left corner, creating a gradient of orange and yellow. The overall mood is peaceful and grateful.
