

Hi!

I'm *Martina*! I am 15 years old and I attend a school specialized in modern languages. In my free time I listen to music, I go shopping, I go out with my friends or I watch a football match with my dad.

I've practised swimming twice a week since I was four and I also practise Zumba.

My favorite singer is Emma Marrone. I haven't got a favorite actor, however I like horror and comic movies. I watch also the Gossip Girl series.

In my family we are four; my dad Giovanni, 46, he is a foreman for a company that works with Telecom. My mum Marisa is 40 and she works in a firm. My sister Ilaria is 7 years old and she attends primary school.
